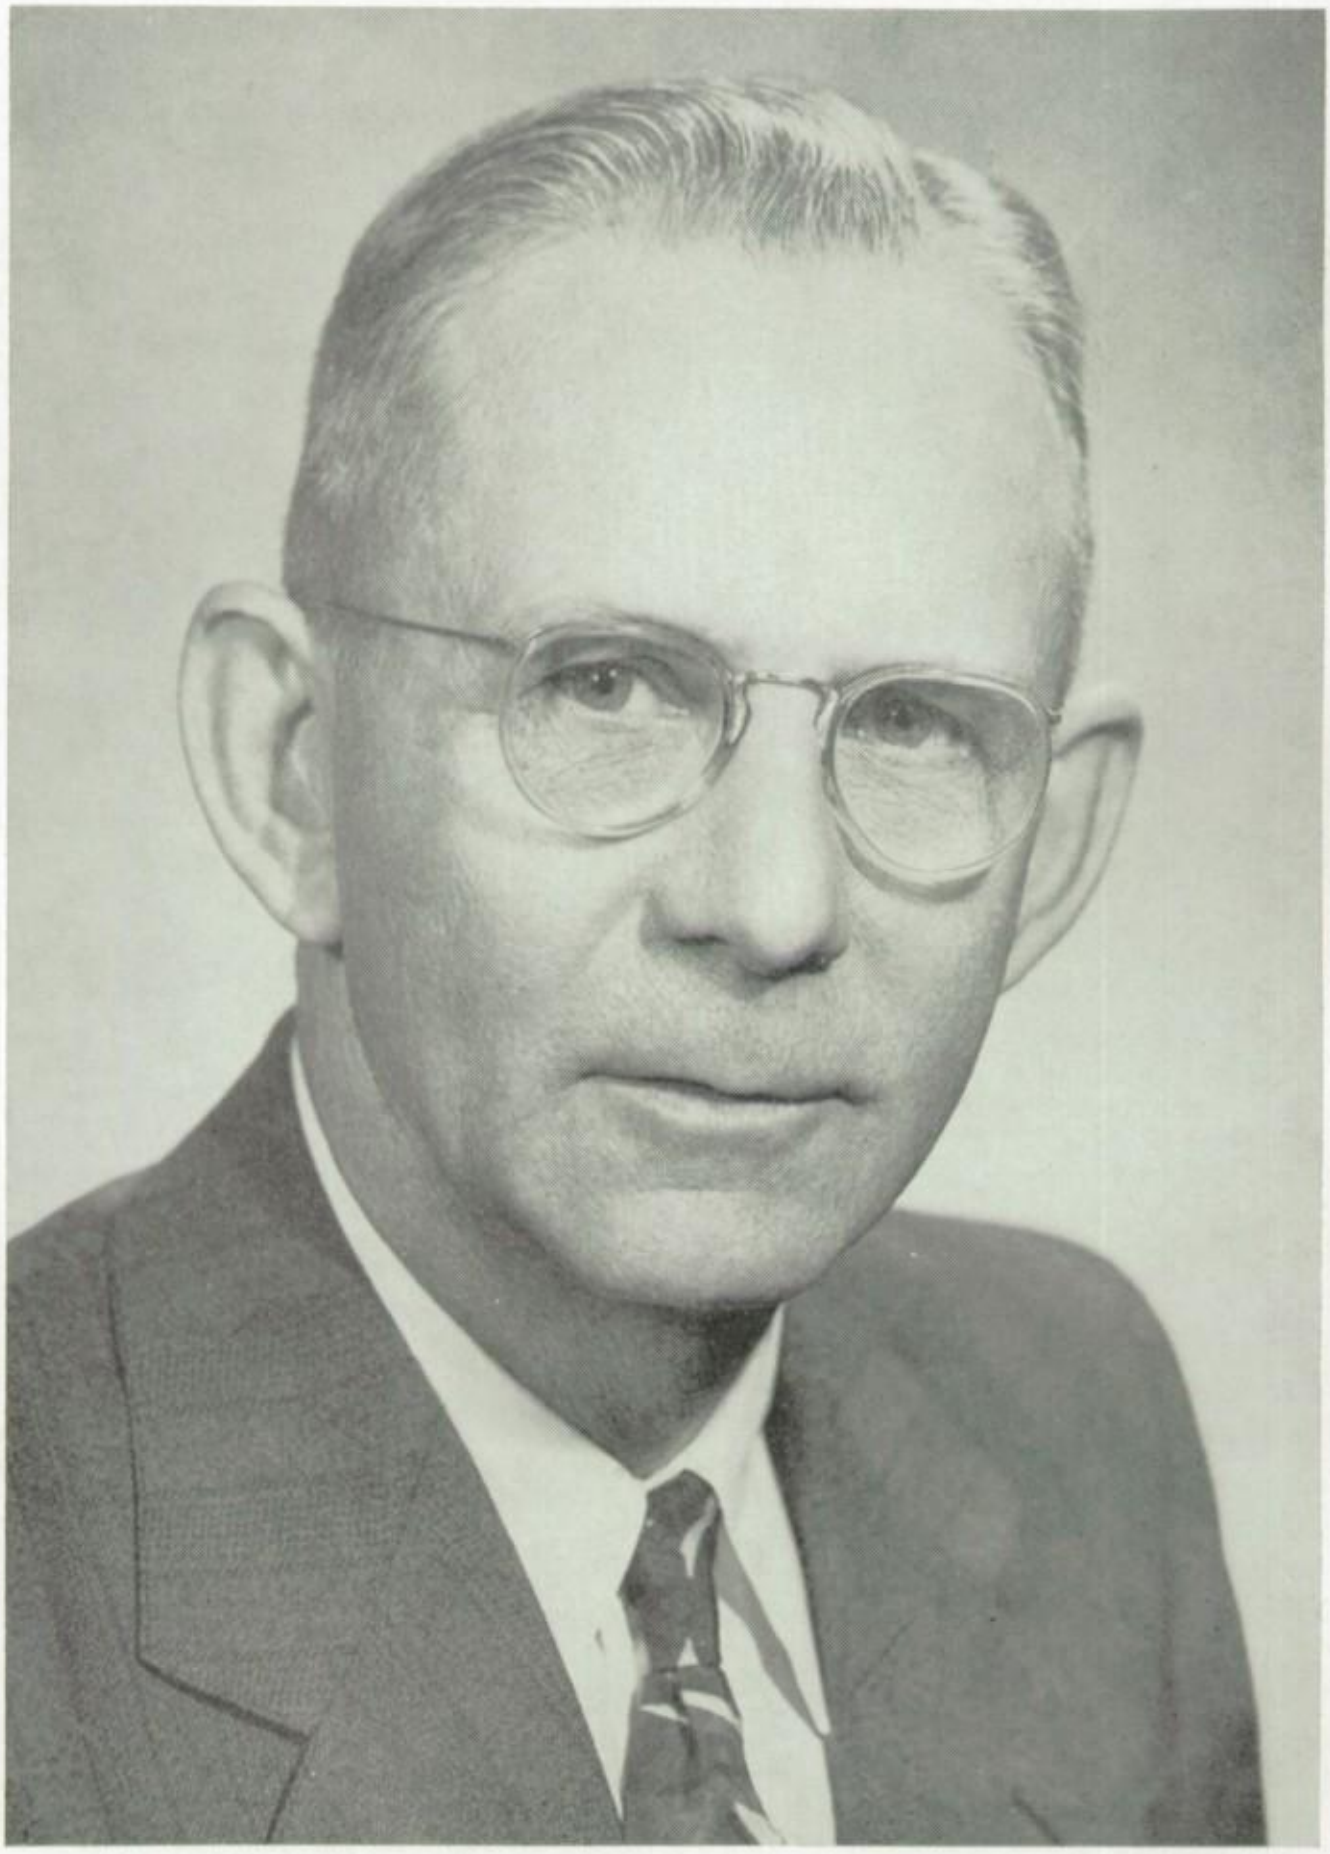
Thirty-five Years of Service



WILLIAM H. STERLING

Time has given to Mr. William Sterling the gift of wisdom. He has guided eight freshman homerooms through four years at L.T.H.S., and he will begin work with his ninth in the fall of 1957. He has left his imprint upon the minds of thousands of students who can be glad that Mr. Sterling likes "kids." He has found that any "teaching job would get stale" if it were not for the fact that "kids are all different, alive, and vital."

Mr. Sterling snapped in the mechanical drawing room during one of the moments which have made up thirty-five years of service.

Mr. Sterling was born in the southern portion of the state in Pinkneyville, Illinois. Receiving his Bachelor of Science Degree from Illinois State Normal University, he continued his education at Iowa State where he obtained his Master of Science degree. Mr. Sterling has taught for a total of thirty-six years. His first year in the teaching profession was spent in Villa Grove, Illinois. He came here from there and has lived in Lockport ever since.

After teaching woodworking for twenty-eight years, he felt that it would be enjoyable to instruct another course. When the opportunity presented itself, he switched to full-time instruction in mechanical drawing.

Mr. Sterling has enjoyed golfing, hunting, and fishing especially when he was able to join his son, Dean, in these activities. He is the father of two children, a daughter, Joanne, and his son, Dean, both of whom are married and have made him a grandfather four times over.

Mr. Sterling has found that "time waits for no one. It is just passing through." The hours passing through his life have been used to build the lives of students, thirty-five years of service.

Here we find Mr. Sterling, taking a few moments respite from work on his beautiful mosiac pieces which he does in wood.

ACKNOWLEDGEMENT

The 1956-57 LOCK Staff wishes to express their appreciation to Mrs. Margaret Mitzit for her supervisory work with our art staff.

Already the school year, 1956-57, is behind us. What a year! We'll never forget the many exciting hours packed into nine months. Reflecting back, we have many unforgettable moments. But, what is there in a moment?

For the typical L.T.H.S. student this is a difficult question to answer because school life has so many phases. The common factor, we must agree, was time, that elusive element of which we always had too much or too little.

Remember:

"Where is that bus . . . I've been waiting an hour, it seems . . . It's getting cold out here . . . Maybe the bus just isn't coming today."

"8:15 . . . I've got to get to my locker in the basement and then way over to the other side of the building . . . I'd better hurry . . . Oh! There's the bell . . . Better go see Miss Shepherd."

"Why didn't I do that assignment . . . Such a boring lecture . . . I don't think it will ever end."

"3:00 . . . Only five more minutes to go . . . It seems like an eternity . . . Won't that bell ever ring?"

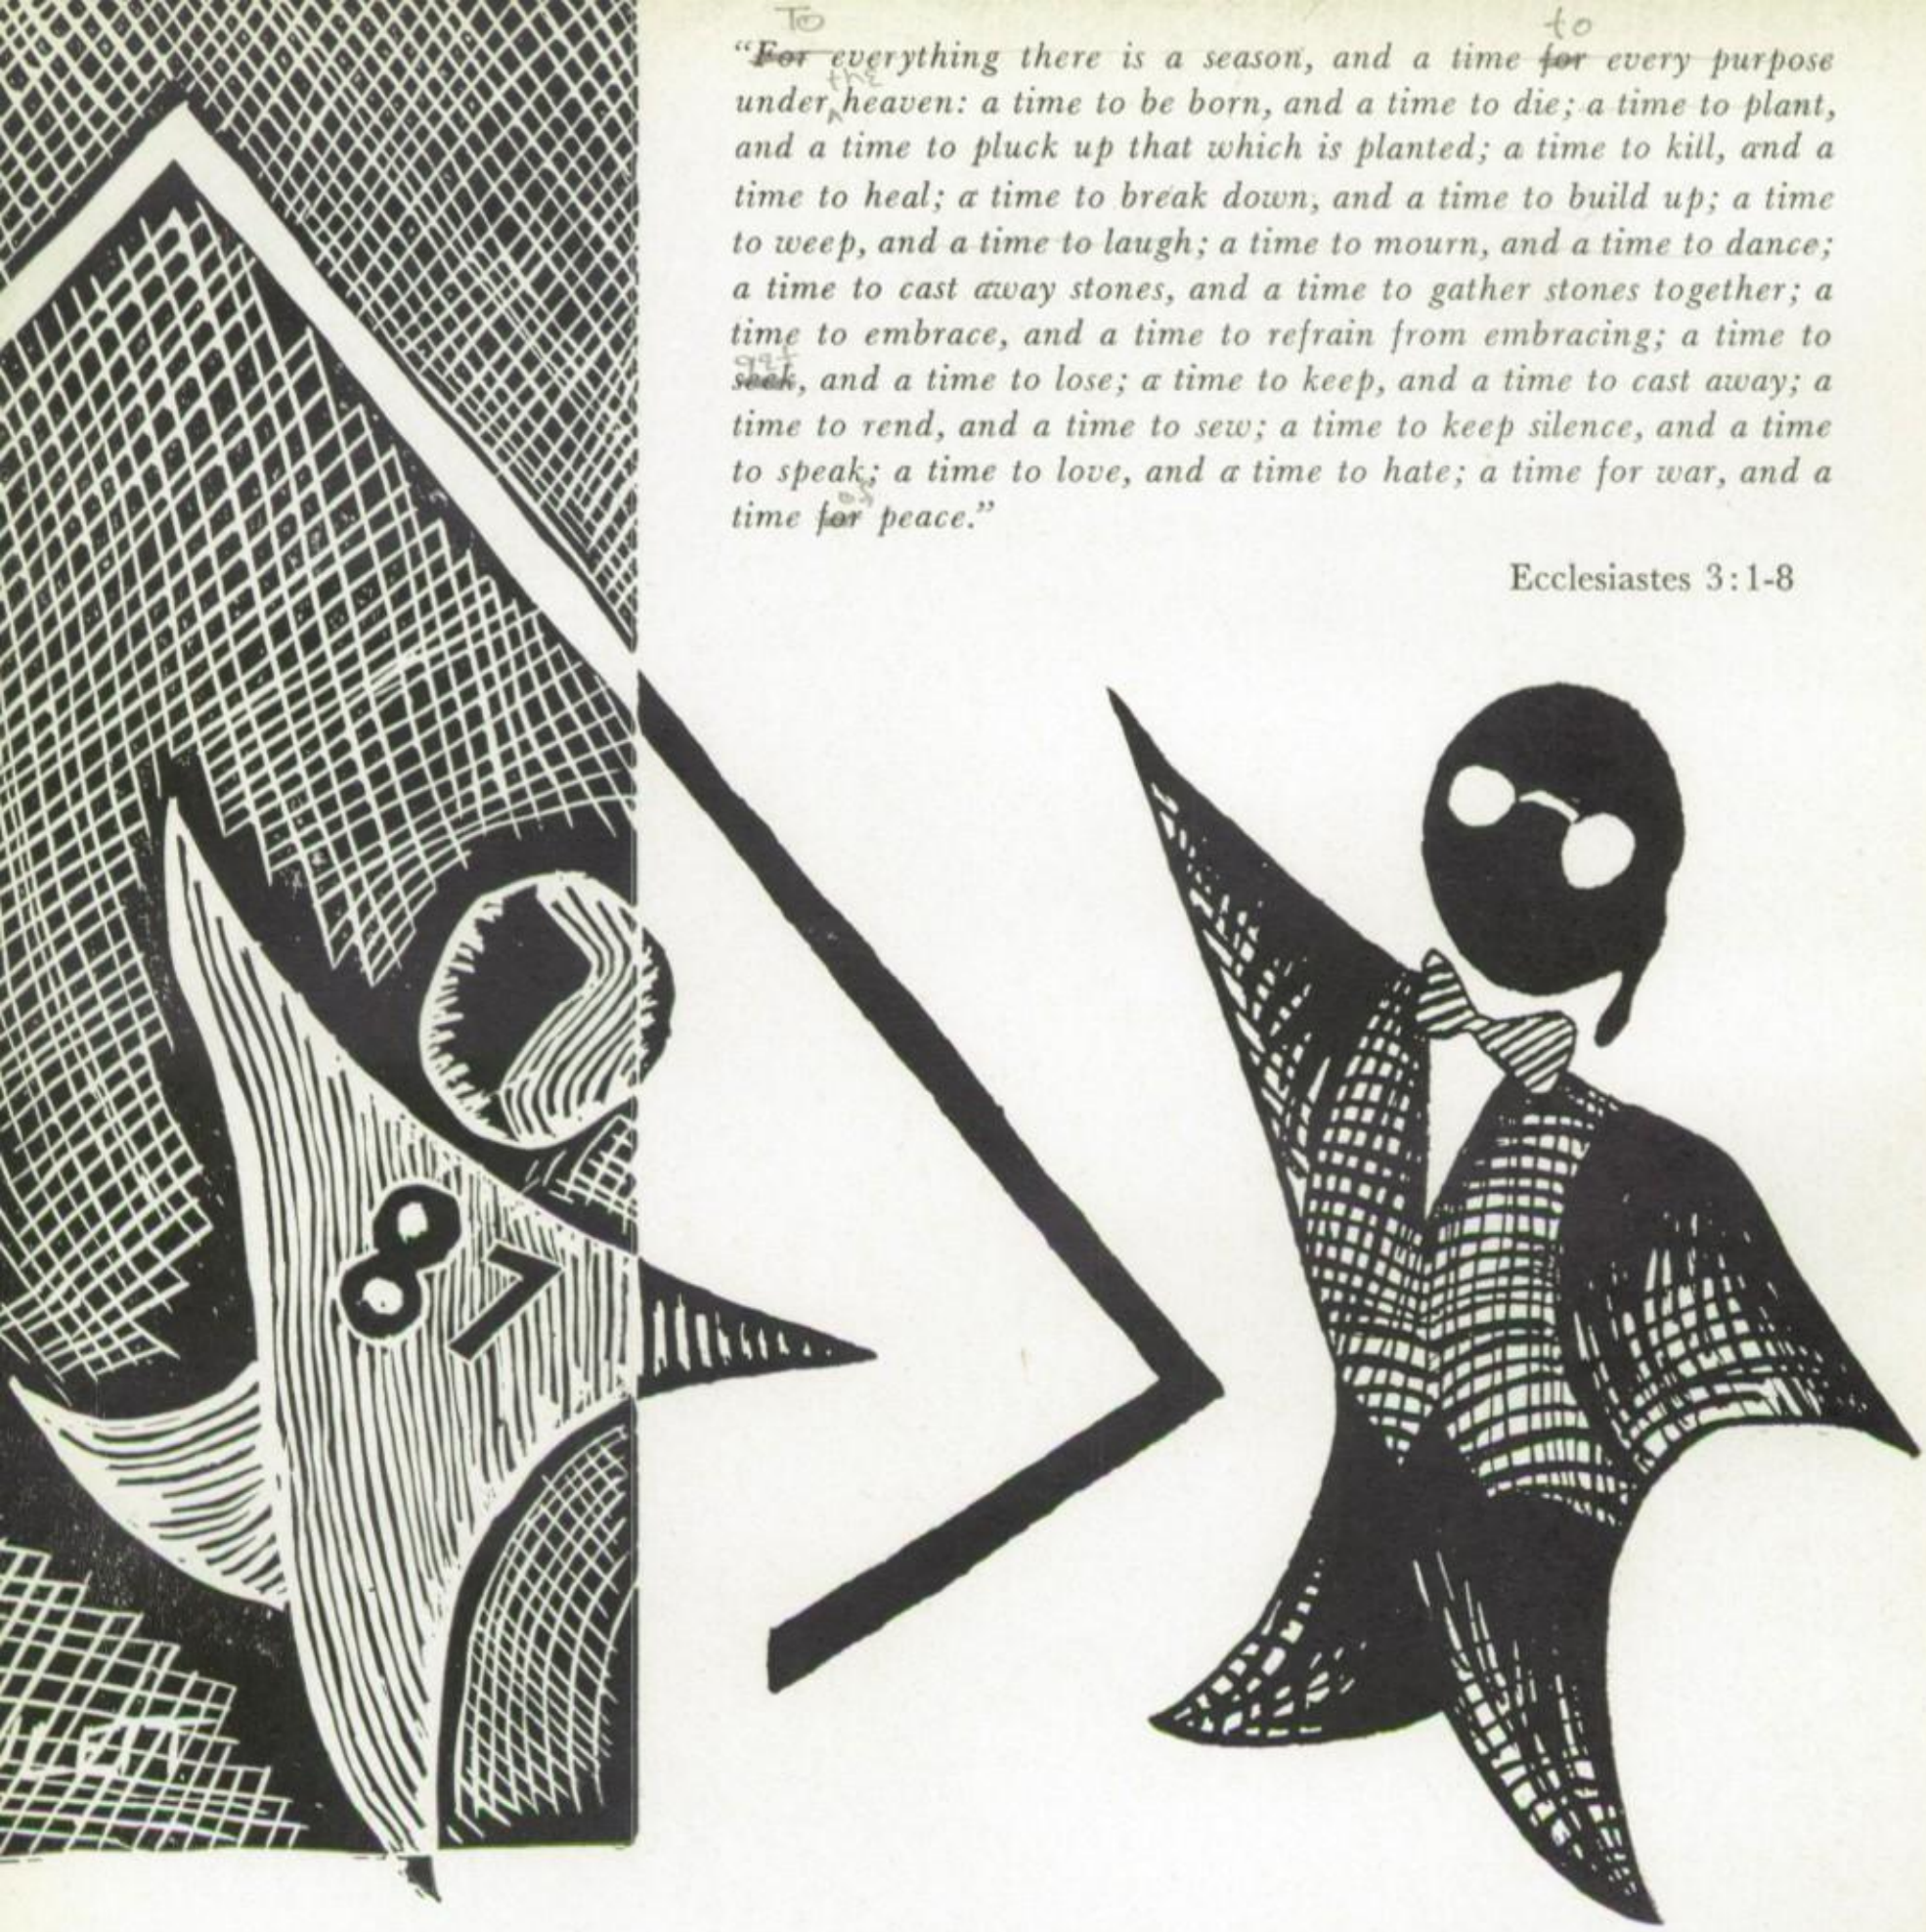
"The most important game of the season . . . They're ahead by only one point . . . Only four seconds left . . . If only I could stop the clock . . . What a game!"

"It's the night of the prom . . . So beautiful and clear . . . I hope it never ends . . . Oh! No! the orchestra's playing the last song already . . . Where did all the time go?"

The only thing of which we were absolutely

"~~For~~ everything there is a season, and a time ~~for~~ every purpose under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to seek, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time for war, and a time ~~for~~ peace."

Ecclesiastes 3:1-8



. . . *a time for everything* . . .

sure was that time did come and go! What happened meanwhile is what presented the problem. This problem became even more acute as for the first time L.T.H.S went on an hour system when each day consisted of only six periods. It was then that time came into its own; study halls virtually disappeared from the schedules of most of the students. This meant that homework, outside projects, all extra-curricular activity, and outside jobs had to be accomplished in the all-too-short time after 3:05.

Yes, unquestionably, time played a most important role in the lives of all L.T.H.S. students. In fact, time became so valuable to most that it became necessary to "ration" it.

So now come with us as we take you from the alpha to the omega of our school year; showing you that there was a time for everything at L. T. H. S.; a time for . . .

Late Date

"Hope the stairs don't creak."

Sleepy Head

"You're going to have to rush to get to school on time."

Hectic Scramble

"Why is everything I want always on the bottom?"

Mad Dash

"With luck I'll just make the last bell."

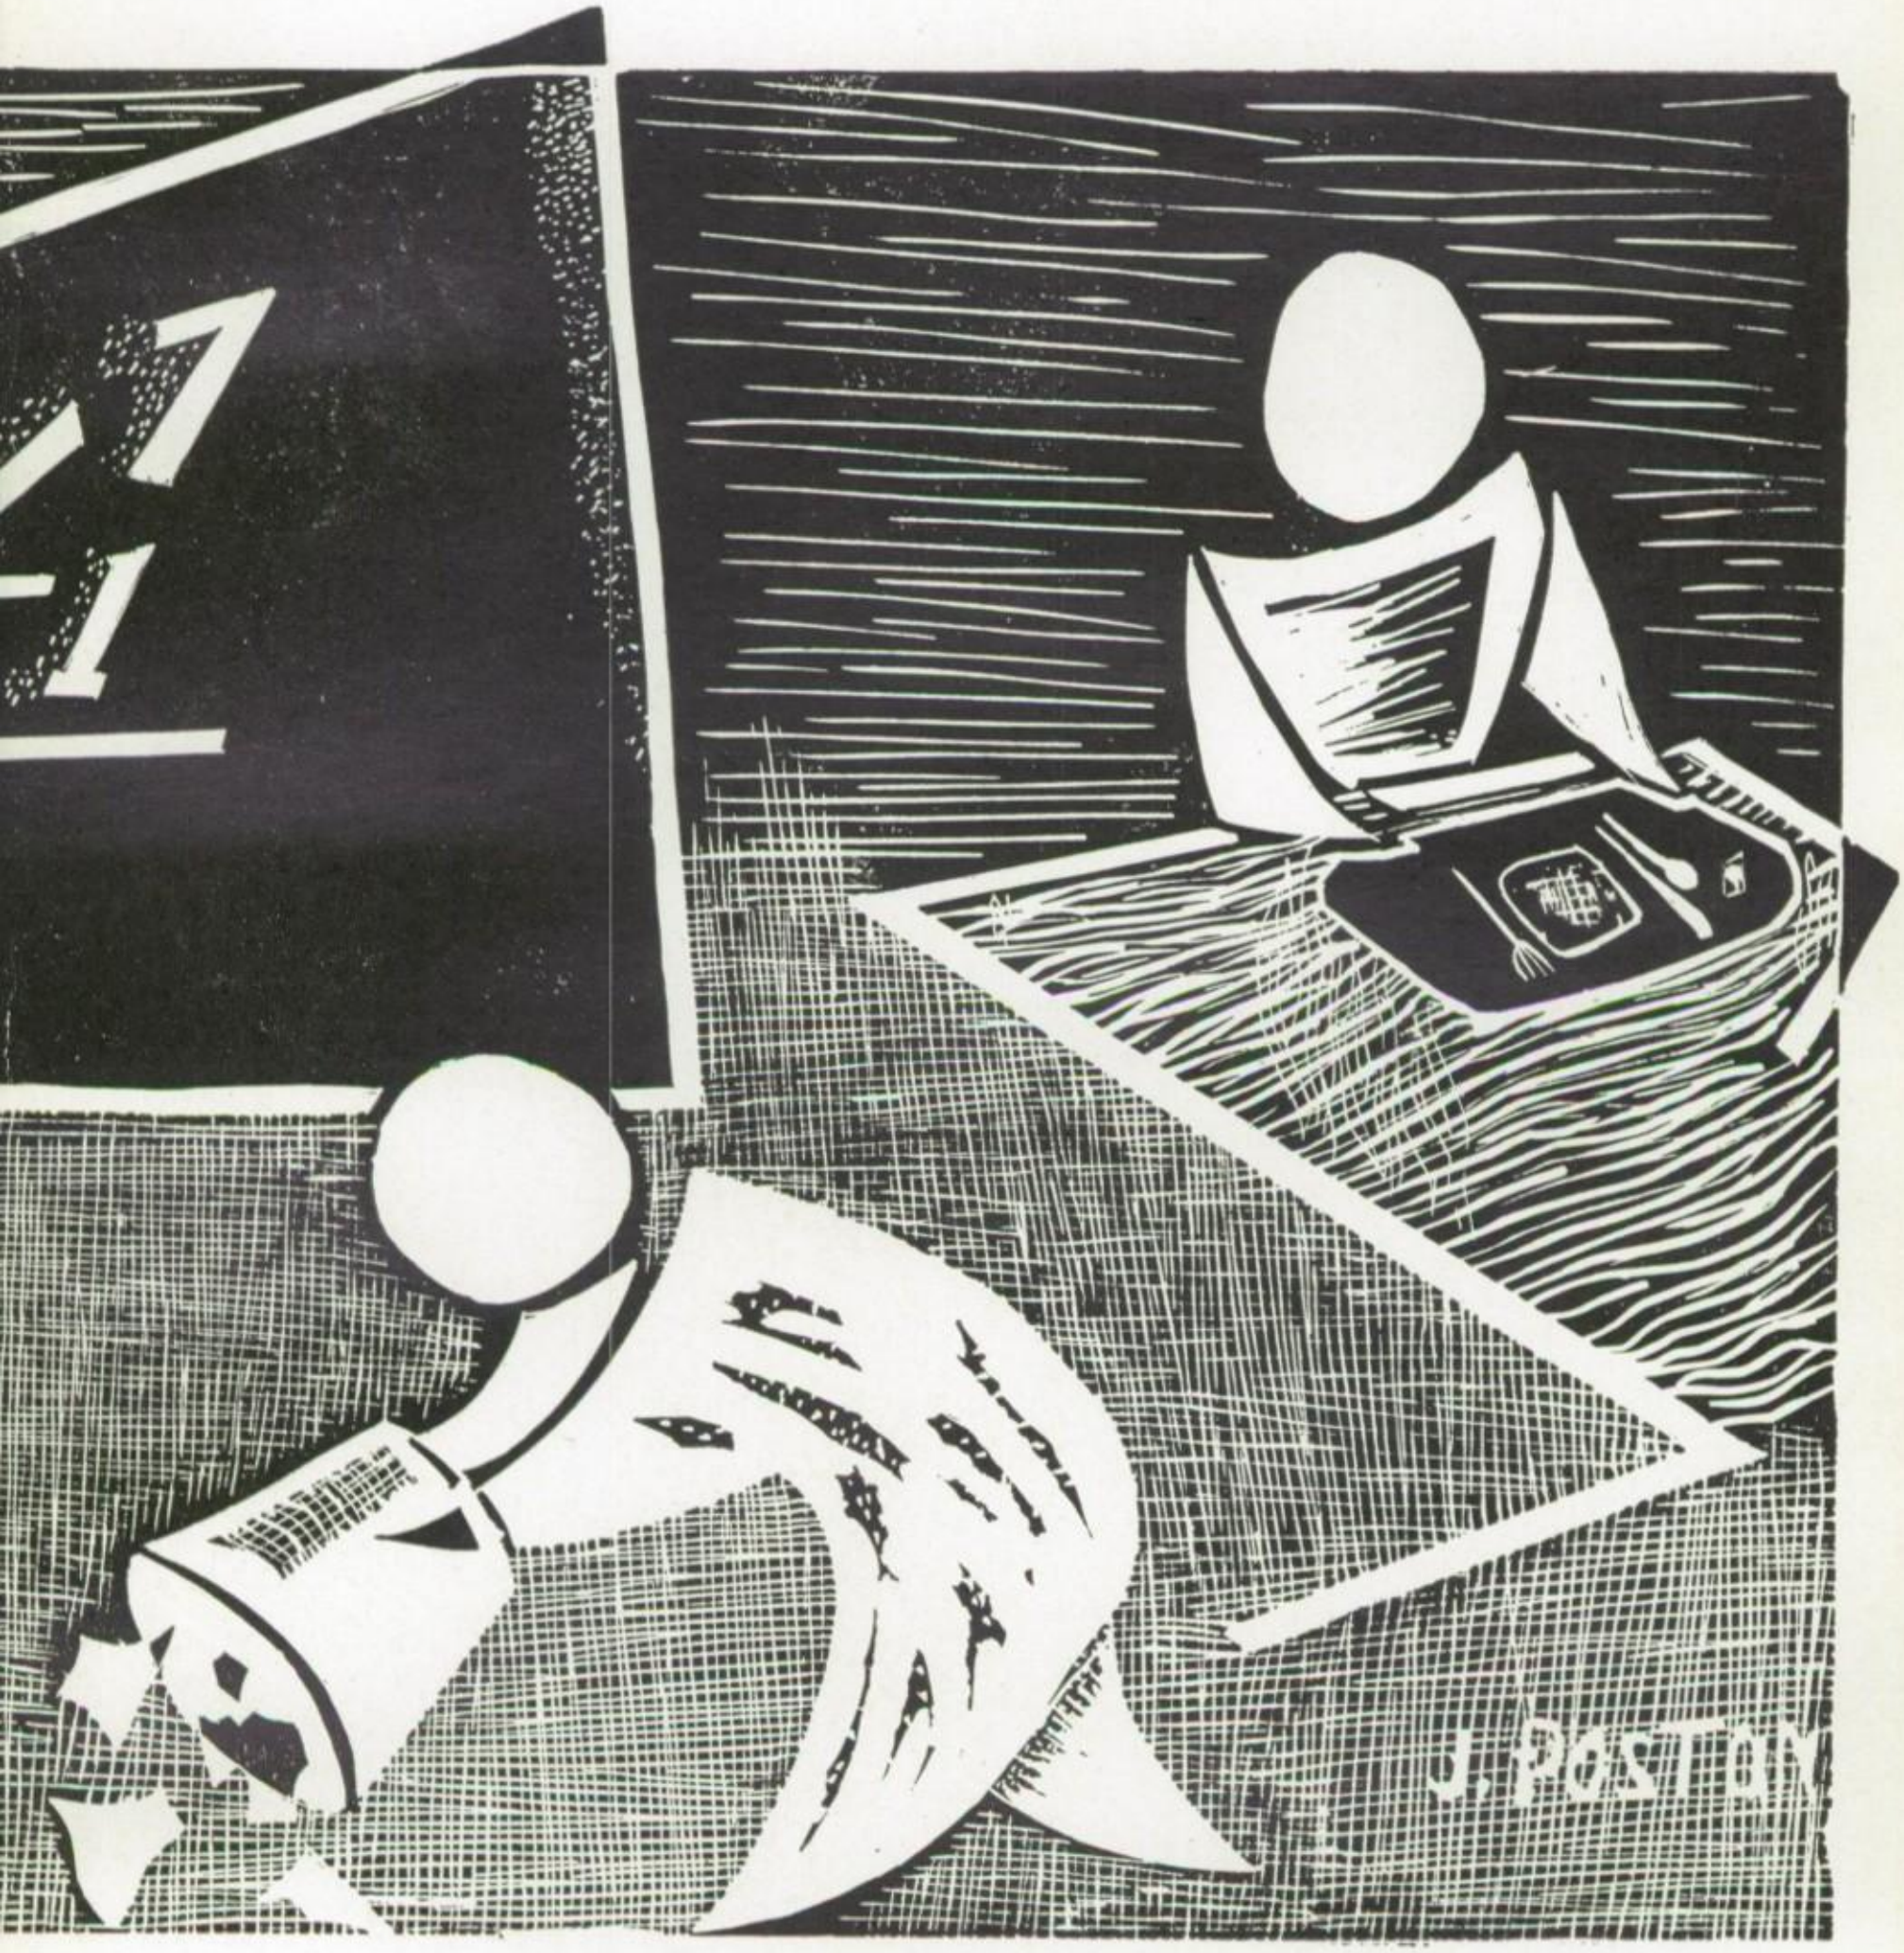
Fatal Step

"Of all the times to trip over that — — hedge!"

Happy Holíday

"Why the rush when there's no school today?"

. . . a time to break down



and a time to build up . . .

His Wise Counsel Has Led Us

Seated behind his desk is an extremely important man, our superintendent. This is his first year with us at Lockport, and he gives the impression of being pleased with our community and school; surely Lockport is most proud of Dr. William Blatnik.

Our superintendent has quite a time keeping up with his daughter and his charming wife, plus the other inhabitant of their household, a cat "Blondie." Spare time, an unusual luxury, is usually spent with the Wednesday night fights on channel seven.

Dr. Blatnik holds membership in many distinguished organizations among which are: Inter-Professional Group, American Association of School Administrators, and the National Secondary School Principals Association. In addition, he is an active member of the Lockport Lions Club.

Hobbies do not play an important role in Dr. Blatnik's life, due to the fact that he is much too busy for them; but when time permits, golf, swimming, and puttering around the house comprise a few of his outside interests.

When asked his opinion regarding Lockport's possibilities, Dr. Blatnik expressed his views as follows: "The community, and the school, which is part of the community, in the future, has excellent possibilities for further greatness and development because of the deep waterway, housing developments, and its nearness to Chicago."

DR. WILLIAM H. BLATNIK
Superintendent

In order to acquaint himself with the Lockport area Dr. Blatnik looks over various maps and charts.

Representatives of the People

The Board of Education, as the policy-making body and the representatives of the people, governs the high school. The Board is composed of seven men who give much of their personal time to the school's problems.

These men have found that any school growing as rapidly as Lockport Township High School certainly presents many problems. The completion of the new addition is one of the things which is uppermost in the minds of the board members. The student body of Lockport High wishes to express its thanks to the members of the board for their efforts to make L. T. H. S. a better institution of learning.

The present members of the Board are: Mr. Harold J. Schmitz, president; Mr. Frank Berta, vice-president and secretary; Mr. Melvin Blogg; Mr. Joseph Bolattino, Mr. Robert Morse, Mr. Carl Munson and Mr. Park Widner.

Mr. Robert Morse, Mr. Carl Munson, Mr. Park Widner, Mr. Frank Berta, Mr. Harold Schmitz, Mr. Glenn Miller, attorney, Dr. Blatnik, Mr. Melvin Blogg, Mr. Joseph Bolattino.

Education, Their Watchword

The desire shown by our deans to help us has resulted in an understanding that has made Lockport a better place of education. Miss Olson, Mr. Aiken and Mr. Flink are always ready to assist our students in any way and set a continually good example for them. Our morals and welfare are safe in their hands.

As leaders, advisors and friends, our faculty is fully appreciated by the students of L.T.H.S. The teachers' willingness to cooperate with students in both curricular and personal problems and their understanding of young people has won the students' respect and friendship. Besides their interest in education, most teachers have an equal interest in community affairs which widens their outlook on us as individuals. By their capable sponsorship of the many extra-curricular activities, the faculty members strive to improve us both as students and also as future citizens.

Personnel, People Behind the Time

In the office of the superintendent, we discover three qualified and efficient workers. Mrs. Charity Thompson, senior clerk, is responsible for all student locker keys, the switch board, incoming and outgoing mail, typing, and dictation. She describes her work as interesting.

Mrs. Lois Manthey is well known to the student body because of her work in the book store. She handles this taxing job capably. Mrs. Manthey is also in charge of the activity funds which is a tremendous job.

Mrs. Esther Geddes, secretary to Dr. Blatnik, also does all of the school's bookkeeping. Mrs. Geddes said that she loves her work. She surely must since all of the many problems that come her way are dealt with by using patience and understanding.

Room 211 or more popularly known as the "office" is under the capable direction of Miss Margaret Shepherd. She is probably the most well-known member of the school personnel because of her work with absentee slips. She keeps all of the student attendance and academic records. From Miss Shepherd's office also are sent all of the transcripts to colleges and employers.

Mrs. Ayers is stationed on the third floor in a private office. A tremendous amount of responsibility is attached to her job in that she is the clerk to the board of education. Her many duties include: making out the payroll, keeping all board minutes, paying the bills which the school incurs, bookkeeping for the treasurer of district 205, and all of the other incidental duties required by the members of the board. Mrs. Ayers said that her busy job is hard but very interesting.

DAISY COLEMAN AND NELLIE FISHER

Mrs. Nellie Fisher, school health matron, is always ready with an aspirin in one hand and a cough drop in the other to give our students help with the many minor ailments which may occur during a day of school. However, her cheerful smile and kind words often are more beneficial to her patients than the medicine which she distributes.

Twenty-five hours of student time are consumed daily in assisting in the preparation of the food served in the cafeteria. These students sacrifice their free time to keep the cafeteria running smoothly and for this work are paid in the form of a free lunch daily.

The fifty students, who work on a voluntary basis, do many little jobs that are seldom recognized, such as preparing and serving food, washing dishes and silverware, selling milk, potato chips and ice cream bars, keeping empty milk bottles in order, monitoring in the cafeteria during lunch periods and cashiering.

A Time to Part

Buist Walker
President

Richard Adamson
Vice-President

John Ferguson
Treasurer

We, the class of 1957, have worked and played together four years, and now the time has come to part. With our Senior year came dignity with which we led our classmates and schoolmates during this past year. With this dignity came pride in our school, activities, organizations, teams, administration and personnel. We also can certainly be proud of the wonderful education which we received at Lockport Township High School.

We elected four fine, young men to lead the activities of our class during its last year. We placed the responsibility of president upon the shoulders of Buist Walker. Richard Adamson, a former president, was vice-president. Capably serving as secretary was John Anderson, and our efficient money-handler was John Ferguson.

Our first big undertaking was sponsoring Homecoming. We can honestly say that it was the best Homecoming ever. The seniors repeated an honor which they had attained as juniors by winning the float contest. This year a group of senior homerooms got together and fashioned "A Whale of a Victory."

Choosing our graduation invitations was fun, but we knew that our time to part was coming closer. We found that the hard work of some of our classmates scholastically did not go unrewarded. Many were awarded scholarships, and twenty received membership in the 10% Club. The valedictorian of our class was Beverly Rider, while William Kapella was salutatorian.

While the juniors were working feverishly on the 1957 Prom, we looked back and remembered the time when we had worked so hard to present, "Dreamer's Holiday."

As we heard the strains of "Pomp and Circumstance" we realized that the time to part had come — our Senior year had come to a close.

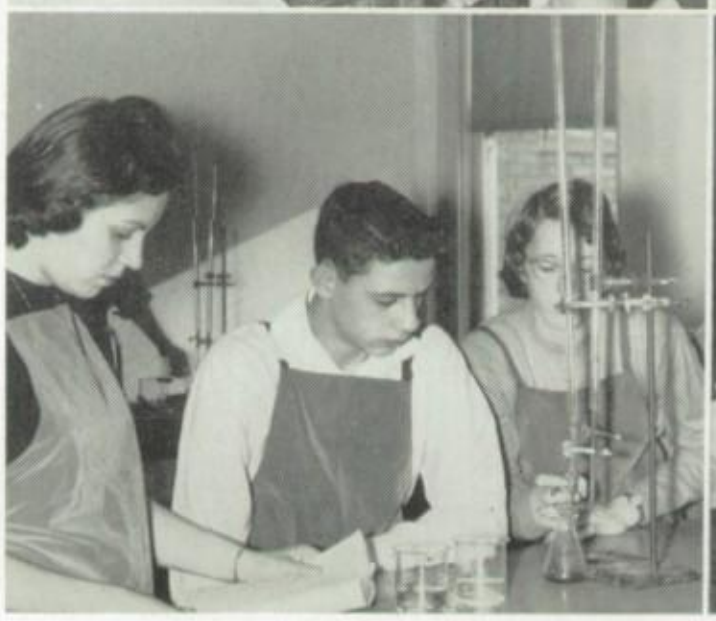
"Eat all you want, I don't care! At least I won't look fat on stage," Doug seems to be saying.

Bev must have been working on the float a lot longer than Marge and Wayne — She looks awfully tired.

"Ellen can can . . . Can you?"

"Get to work, Jack, if you want your car to run."

"Do you think you can record the beautiful notes from the concert, Marty? Ken doesn't look too hopeful."



"Norm, it says right here to stop the titration when the solution turns blue."

Judy and Zenda are making beautiful purses in Mr. Cherry's leathercraft class.

Top Row: And did you know that last night he — — — — — —. Hey, turn around, kids; you're going to get your picture taken. I told you coach; we need new warm up suits for the team.

Second Row: Hey, that's not Santa — that's Ken Barone. "My," said Pat, "I think we should be chosen as the best dressed girls in the Senior class, don't you, Mike?" Jeepers, if I don't hurry, I'll be late for my next class.

Bottom Row: What will happen if we turn this gadget, Mr. Maurer? "Dannie, if you're not doing anything special Saturday, how about going to the show with me?" questioned Tom. Smile pretty, boys! I'm going to take a picture.

As we advance in life we acquire a keener sense of the value of time. Nothing else, indeed, seems of any consequence; and we become misers in this respect.

A Time for Learning

Two years have passed and time has made us Juniors, upper-classmen at last. Now, instead of being initiated, we initiate; instead of buying elevator tickets, we sell them. Yes, we are truly upperclassmen.

We began our year by electing our officers: Greg Brown, president; Kristin Ehn, vice-president; Judy Pearson, treasurer; and Carol Cavoretto, secretary. When the time came, we chose Molly Thomas to represent our class in the homecoming parade and dance. Shortly after homecoming under the direction of Mr. William Tipler we presented the Junior Play, a three act comedy, entitled, "Strictly Formal." The play was presented to packed houses both nights and was a huge success. Choosing our class rings was another exciting event which took place in the fall. Oh, the time we spent weighing the advantages of choosing this ring or not selecting that one.

Shortly before Christmas our rings arrived, and also at this time we elected Steve Johnson and Kathleen Roberts as co-chairmen for the Prom.

We are proud to say that we had five Juniors on our varsity basketball team, all of whom played quite regularly. We can't mention these five boys, Edward Burke, Joseph Pesavento, Guary Horton, Lee James, and Kenneth Norton, without mentioning the fine work our cheerleaders, Pat Drake and Jane Murray have done this past year.

This year we attended College Night and many of our futures became more certain. We gained much valuable information from this night.

Throughout the year we conducted do-nut sales, bakery sales, and sold pop at the Lock Staff Dances in order to make money for the Prom. On May fourth as we danced to the dreamy music of Johnny Kaye's Orchestra, we realized that every bit of the extra work was worth all the time it took.

"Well, I bought my doughnut," said Charlene. "I'm glad the proceeds are going to be contributed to the March of Dimes Campaign."

And the ceiling for the Prom will be blue . . . . .

Here we find Wilma Wawczak and Jean Musich utilizing the twenty minute study period given the student at the beginning or end of almost every hour.

We must keep an eye on this solution because as soon as it starts to change color we've got to stop the reaction.

Well — look! I can type, I can type, I can type.

First love, true love — that's a phrase that can be easily applied to Bill Grady and Pat Hensen.

Sally and Judy check their assignments while Carolyn and Carol exchange pleasantries during the four minutes between classes. Jean Towles and Wilma Wawczak try desperately to avoid the flash of the camera.

"Hey, did you say this picture was going in the Lock?"

Time to Gain Experience

What a busy time we've had this past year! We have taken an enthusiastic part in all the activities and organizations. Many of us were fortunate in being elected officers of various organizations. All can recall how confident of our abilities we were as we attended F.T.A., G.A.A., Lock, Times, Student Council and all the other meetings of the extra-curricular activities.

Of course, it was not all work and no play because any one of us can tell you about the excitement of the football, basketball and baseball games, the wrestling, swimming and track matches. We always represented our class by attending as many of these contests as possible.

We attended the plays presented by the different classes, and we as underclassmen watched with anxiety realizing that we, as upperclassmen, would be there on that stage presenting our play next year. We were also glad that we could gain experience while presenting our One-Act Night in conjunction with the Freshmen.

We've tried to gain experience by participating in the activities, and we can proudly look back at our record of this past year: our Homecoming float won a prize, our classmates were seen at programs proving their ability and the girls as well as the boys worked hard gaining recognition in athletics.

Certainly every sophomore can look back with pride on this past year. Besides being active we've had a wonderful year. We hope our coming years at L.T.H.S. can be as full of excitement as this past one — our Sophomore Year, a year of experience.

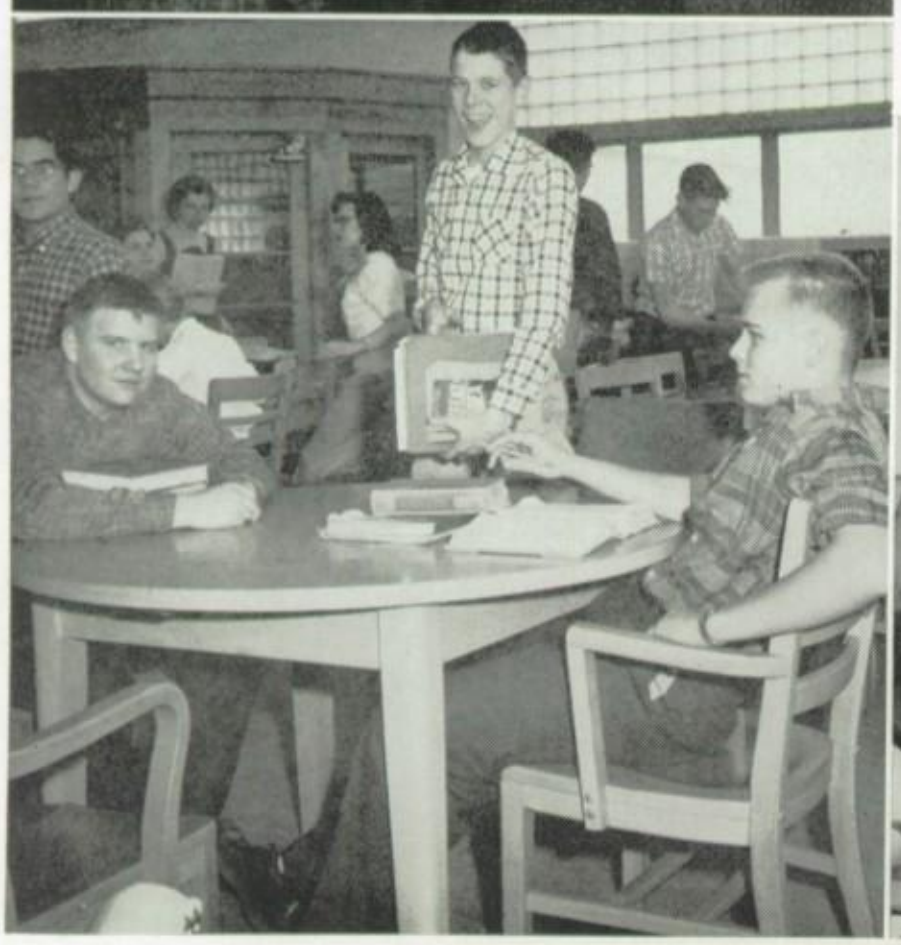
"Oh, no! Don't tell me I've done the wrong assignment."

"Hey, boys, let's see if Miss Fagan will let us use a conference room."



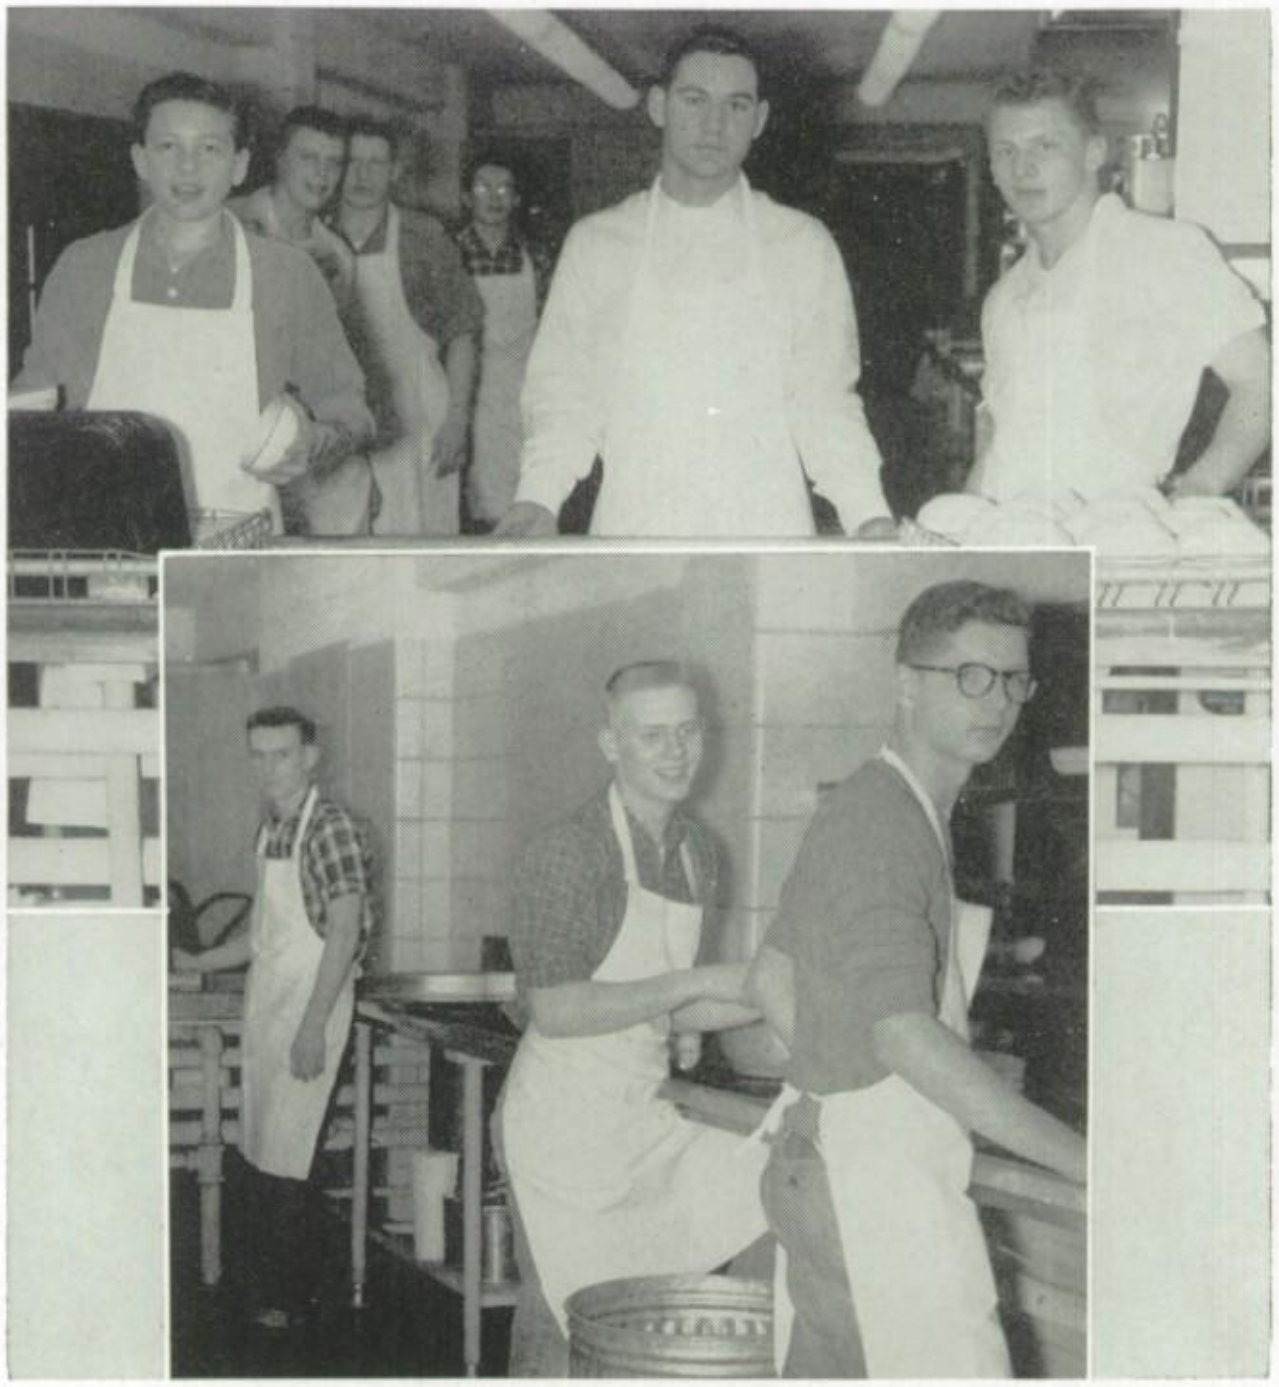
These biology students are working diligently to mount a chicken for their semester project.

TOP LEFT
"Are we really going to have a biology test, Mr. Rutter?" ask Sandy Detar and Karen Rungaitis.

TOP RIGHT
Better hurry girls! You'll miss your bus.

BOTTOM LEFT
"Did you say we're going to double with Bonnie and Bob?" Carolyn asks Jim.

BOTTOM RIGHT
C'mon Joe, I want to have my picture taken!



Bob, Jerry, and Ed take a few minutes from washing dishes to "watch the birdie."

Hurry boys! Those dishes will never be done for the next line.

It really is difficult to get a drive of any distance off this cement.

Bonnie and Georgia hurry home from a melodious session in the band room.

Look studious! Here she comes and we don't want to get kicked out two days in a row.

A Time for Wonderment

School had begun and our eyes were filled with the wonderment of a new school life about us. We were freshmen trying to forget our fears of facing upperclassmen and teachers. We can look back now and see why the upperclassmen said, "You can sure tell the freshmen" especially, when some of us started wearing our locker keys on chains around our necks.

Soon activities began, and we were happy to learn that our class was eligible to join all organizations in the school. When the football season began, the freshman boys went out for the frosh-soph team. Many of our boys also enjoyed working on the freshman squad.

Before the basketball season started two freshman girls, Carolyn Yates and Juanita Boehme, were elected cheerleaders. The basketball season was just as thrilling as the now past football schedule, especially when the frosh-soph team won. The varsity games were just as exciting for us as for the upperclassmen, and we were really able to show our "Porter Spirit" in some of the closer games. The frosh-soph team improved all along the whole season, and we know that some day they will make great varsity players.

The Lock Staff Dances were new experiences for us as well as the Homecoming Dance, Harvest Hop, Snowflake Fantasy, and Swing to Spring.

If we didn't have the courage to ask or were not asked to these dances, we had the opportunity of working at them selling tickets, checking coats or serving punch. Oh! It was loads of fun to help decorate too.

All the magic of our new experiences and hope for success in the years ahead have made us realize that we can truly be proud of having been Freshmen at L.T.H.S. in 1956-57.

L.T.H.S. BAND

When it's time for music at L.T.H.S., the best place to go is our band room. The band has made very good use of its first period hour. Look at the results! All year they have brought home top honors — from marching at our neighboring city, Joliet, to marching and playing before television cameras at Summit, Illinois. Concerts were given at Vandercook College of Music and in our own Dellwood Park. They came home with first place trophies from the Momence Gladiola Festival, Dekalb Centennial, Harvard Milk Festival, and Riverview Park. The parade that was really special for the town, and Lockport High School was the Oil Progress Parade held in Lockport which was led by the band.

As usual, the band sponsored its two annual activities, the Christmas Dance and Spring Concert. The Christmas Dance was called "Snowflake Fantasy" and snowflakes really glittered from all four walls and the false ceiling of the gymnasium. The concert was the big affair for which all the band members worked so many hard and long hours. The time they spent was not in vain for the concert was a success just as in years gone by.

Late in March the band was privileged to present concerts in Evergreen Park and Oak Lawn for the high schools there. The members were excused from an entire day of classes. The madrigals accompanied the band and the groups were received very enthusiastically.

Many thanks go to Mr. Ernest Caneva and Mr. Herbert Tatroe for working around the clock to make all this possible. As time goes on we will look back and be proud that the 1956-57 band was such a fine organization.

OF GOLD

The L.T.H.S. gymnasium was the scene of the music department's twenty-fifth annual concert on March 17, 1957.

This year band directors from all the Lockport Grade Schools were invited as guest conductors. In this group were Otto Mattei, Chaney Grade School Band; David Habley, Ludwig; and Tom Drake, Central Kelvin Grove Band, directing "Beautiful Colorado" which featured John Legg of Kelvin Grove school in a baritone solo. Also Don Caneva, St. Dennis, directing his own composition, "The Saint Dennis March"; and Don Arnold, Taft Band.

A few of the many highlights were "Karen Overture" written by Caneva-McAllister and conducted by Herbert Tatroe, assistant director; Aida selections from Verdi's opera, and Rossini's "William Tell Overture" which was directed by Mr. Caneva proved to be the high point of the concert. Another fine number that was especially liked was "Annie Laurie a la moderne", featuring Bob Hill, Tom Nelson, and Roger Bollattino in a trumpet trio.

A special guest conductor and former L.T.H.S. student presently studying at Northwestern University, Stephen Platko, directed his own composition, "Byzantine Suite."

Front Row: Jean Stober, Joann Rodeghiero, Patience Drake, Bonita Cagwin, William Petan, Nicholas Kobe, Marilyn Vonch, Sharon Fisher.
Second Row: Georgia Nordstrom, Janice Novak, Marjorie Glasser, Camille Abrams, Carol Cavoretto, Gregory Machak, Dorothy Kon, Richard Panich.
Third Row: Karen Rungaitis, Carol Ott, Charles Russell, Patricia Pasternak, Gloria Jean Miller, Bonita Revels, James Kobe, William Kapella.
Fourth Row: Ronald Kevish, Gerald Lundeen, Judith Long, Jane Murray, Sharon O'Brien, Amy Staples, Darlene DePra, Carolyn Yates, Mary Ann Becker.
Fifth Row: Merold Yates, Herbert Huls, Wilma Wawczak, Sue Ausec, Judith DelSasso, Gary Hish, Perry Kristich, John Billingsley, James Rungaitis.
Back Row: Steve Johnson, Ray Schoppe, Junita Boehme, Karen Gullicksen, Louis Darin.

And the band played on.

A section of the band, the Pep Band, added some gay notes to the pep sessions and basketball games. During football season the entire band went all out with half time shows and maneuvers. Maneuvers are not easy to prepare; they take much time and patience, but after the maneuvers had been executed each member of the band realized the fun and pride he had in doing them which over-balanced the work.

Seated is Shirley Smith, Secretary. Also James Kobe, Vice-President; Thomas Nelson, President; Darlene DePra, Librarian. Absent Raymond Schoppe, Treasurer.

Judy Johnson, Marilyn Vonch, Carol Cavoretto, Caroline Lillie.

The Chorus this year is the biggest L.T.H.S. has ever had. It consisted of approximately 125 students. During the first semester, the chorus was divided into two periods with the frosh-soph having the first period, mainly for work in the basic fundamentals of music, and the junior-senior group having the second period for advanced work on different selections. In preparation for the annual spring concert on March 17, the two choruses were combined.

Because band students were not able to belong to the chorus this year, a sixth period group was organized. Members of the band and members of the regular choir who had sixth period free on Tuesdays and Fridays comprised this group. It was found that this group could accomplish a great deal in only two days as they were all fairly efficient musicians who were able to read music. In addition to this group the Madrigals was again organized. This specialized group was composed of 18 boys and girls who sang for many civic groups all over the Lockport-Joliet area at Christmas time. The group also accompanied the band when it went to Oak Lawn and Evergreen Park to present programs there. It also provided all the special music for the Christmas Play and other assemblies.

The chorus as usual was a very active organization. It participated in the Veterans Day Program and the traditional Baccalaureate, entered a float in the homecoming parade which received an honorable mention, and put on a Penny Day for the March of Dimes. In December in conjunction with the band, it presented the annual music department dance, "Snowflake Fantasy".

The chorus sounding as sweet as ever entranced the capacity audience with such numbers as "Incline Thine Ear, Oh Lord"; "In the Still of the Night"; "Falling in Love with Love"; and Romberg's "Auf Wiedersehen." The icing was added to the cake when it proceeded to render "Donkey Serenade" and "Giannini Mia", both Friml, and Cain's "Battle of Jericho".

The band and chorus then combined to present the delightful "Naughty Marietta" by Victor Herbert. It was the mutual agreement of all that time spent in practice and rehearsal was well worth while.

Concluding the program was "The Porters March", Mr. Caneva's newest composition which he dedicated to Lockport Township High School.

Farmers Make Second Year Prosperous

Seated: Donald Cagwin, President; Mr. Lawrence, Adviser; Ronald Foster, Vice-President.
Standing: Merold Yates, Secretary; Sherman Reiter, Treasurer; Robert Cagwin, Sentinel; Edward Termuende, Reporter.

During its second year at L.T.H.S., the Lockport Chapter of Future Farmers of America participated in many worthwhile activities. Presiding as president for the year was Donald Cagwin. Ronald Foster was vice-president; Merold Yates, secretary; Sherman Reiter, treasurer; Bob Cagwin, sentinel; and Ed Termuende, reporter. Mr. Lawrence, Vocational-Agricultural instructor at L.T.H.S. served as adviser.

The Lockport Chapter of Future Farmers is a part of the National Future Farmers Organization and is designed to supplement the training which the Vo-Ag students receive in their classes.

The members are given the opportunity to qualify for election to the degrees of "Green Hand," "Chapter Farmer," "State Farmer," and "American Farmer" during the F.F.A. meetings which are held regularly.

The boys have really kept themselves busy and certainly used their time wisely. Their major activities for the year included selling magazines, conducting a paper drive, washing cars for the March of Dimes which proved especially successful, and sponsoring a grain and poultry show. Five members especially enjoyed attending the National Future Farmers of America Convention in Kansas City. Mr. Lawrence guides the boys in learning farming as the big business which it really is.

Front Row: Bob Cagwin, Ed Termuende, Sherman Reiter, Merold Yates, Ron Foster, Don Cagwin, Mr. Leroy Lawrence, Sponsor.

Teachers Invest Time Wisely

This year is the fourth year the Edward F. Worst Club of the Future Teachers of America has been at L.T.H.S. under the able sponsorship of Mrs. Shoop. There were meetings on the first and third Thursdays of each month, one of which was a regular business meeting and the other a special program with a short business meeting.

The past year has been quite a busy one for the club. It celebrated its anniversary by hosting representatives from several nearby high schools in an effort to organize F.T.A. clubs in those schools. Many members attended the Regional Workshop at Evergreen Park High School and the State F.T.A. convention at Illinois State Normal University. They were guests at the Delta Kappa Gamma College Panel. Other activities the Future Teachers participated in were: ushering at Teachers Institute, making posters for Education Week, going to Chicago on an educational field trip, participating in the homecoming parade, working in the concession stand at home football and basketball games, and various other activities. Junior and senior members did student teaching in local grade schools during a Visitation Day. This proved to be a very fine experience for all and one which the group thought should be repeated. Seniors occasionally "subbed" for teachers during a single period of the day. They enjoyed this very much and many found that it improved their understanding of the subject. F.T.A. members realized that the time spent this year learning about the teaching profession was an investment in their future.

Officers: Patricia Moroz, Treasurer; Joann Miller, Secretary; Forrest A. Hartman, President; Phyllas Lillie, Vice-President; Glenda Schifler, Historian; Mrs. Shoop, Sponsor.

Nurses Prepare for Future

Future Nurses Club Officers: Mary Alice Hartford, Treasurer; June Anderson, Secretary; Miss Margaret Taylor, Sponsor; Kathy Boland, President; Wilma Wawczak, Vice-President.

The Future Nurses Club, organized five years ago, has a membership of sixty-six. Miss Margaret Taylor is the faculty adviser while Mrs. Mylon Lorenzen and Mrs. Dorothy Worst, R. N., are sponsors. Meetings are held regularly on the second and fourth Thursdays of each month. This year a surgical nurse, practical nurse, physical therapist, and a pharmacist spoke to the group and showed appropriate slides or movies.

On November eighth the club members enjoyed their annual field trip, this year to Silver Cross Hospital in Joliet. On November thirteenth the senior members took a field trip to Hines and Vaughan Hospitals in Chicago where the girls saw the latest equipment in physical therapy and were privileged to watch an operation.

Among the projects of the club for the 1956-57 year were the collection of materials and then making cancer dressings, contributing to the March of Dimes, checking season tickets at the basketball games, and checking coats at every other home game.

Two of the biggest events of the year were the initiation picnic in the fall and the annual Mother-Daughter Tea on March twenty-eighth. February was the month the club held its fifth anniversary party.

Front Row: Sally Johnston, Anne Rae Stolck, Alice Taskay, Lorelee Diaz, Anna Blasier, Karen Brown, Geraldine Wolfe, Geraldine Smrekar, Sue Carole Pajak, Kay Bensing, Marilyn Babich, Barbara Moerbe.

J. R. C. Extends Helping Hand

Under the able leadership of Miss O'Brien, the Junior Red Cross continued to be an active organization at L.T.H.S. during the year 1956-57. Representatives, one from each homeroom, were elected at the beginning of the year. However, anyone interested in the organization was invited to attend the meetings and take part in the activities. Sue Ayers, president of our local chapter, also served as president of the Will County Junior Red Cross Council.

An active schedule was carried on this year by the organization. The first activity of the group was the membership drive. Each homeroom representative asked members of his homeroom to contribute to the drive thereby making himself a part of the organization. An annual project, the making of flexahexagons, was carried out as usual, and they were sent to veterans' hospitals in the vicinity. During the fall months, the organization was in charge of making up and selling football programs at all home games. In the spring another annual activity was carried on as gift boxes were filled with contributions from the student body. A huge chest was also filled by all high schools in Will County and it was sent overseas. On March 5, Lockport was host to the Will County Junior Red Cross Council Meeting.

1956-57 Junior Red Cross Officers: Miss Patricia O'Brien, sponsor; Kathleen McGinnis, Vice-President; Suzanne Ayers, President; Bonnie Bensing, Treasurer; and Judy Pearson, Secretary.

Front Row: Jeanine Hickman, Linda Herron, Arla Schroll, Marilyn Cave, Lorraine Slack, Peggy Wells, Margaret Munari, Joan Boettcher, Barbara Garson, Carol Ott.

Projectionists

Mr. Jorgenson, Adviser; James Awalt, Secretary; Gerald Lundeen, Treasurer; Ronald Gudac, Vice-President; Forrest Hartman, President.

The Projectionist Club, its officers and sponsor, Mr. Jorgenson, are a very distinctive group at Lockport High School. The members are taught how to operate all of the projection equipment which is owned by the school. After each member has adequately shown that he is capable of operating this valuable equipment, he is given a card showing that he is qualified for such work. Only students with these particular cards are permitted to handle projection machines.

This group provides a wonderful service to our school. The members of this organization spend much of their free time showing films in classes, at lectures and during extra-curricular activities. Almost every student attending L.T.H.S. has enjoyed having his day broken by seeing an interesting movie which could not have been shown if a member of the projectionist club had not been present. Many votes of appreciation go to the projectionist club members who were willing to give up their free time that others might have many enjoyable moments of video education.

Serving as officers of the Girls Athletic Association for the year 1956-1957 were four conscientious young women who did a splendid job. Accepting the burdensome job of president was Carole Sue Johnson, who served the association wisely and well. Marian Adee, who undertook the responsibilities of the vice-presidency, assisted our president in many ways. A junior, Sally Shoop, handled the secretarial duties of the group efficiently. June Anderson, a sophomore, was responsible for all of the money going in and out of the treasury.

Without the wonderful help of the sponsors, Miss Olson, Miss Weick and Miss Chapman, it would have been impossible to co-ordinate the activities of the G.A.A. during the past nine months. They have spent many nights a week instructing and refereeing four hundred sports loving girls.

For girls with restless energy, the desire to learn new and improve old sports, and those wanting to join in some fun, our school provides for and sponsors the Girls Athletic Association. Almost every girl at L.T.H.S. has belonged to at least one of the many sports activities offered by the G.A.A.

For our expert servers, tennis and volleyball were given to test and improve their abilities. Also during the early fall horseback riding was offered, but this was open only to senior members. During winter months bowling, basketball, basket shooting and lifesaving were enthusiastically attended by the girls. During the bowling season two separate groups each with three leagues, accommodating one hundred and fifty girls, were taken care of by the G.A.A.

Basketball, also very popular among the girls, was set up so that each class had a separate night. At the end of the season, an Interclass Tournament and an All-Star Tournament were held. Basket shooting was also made available for girls who were especially accurate in their shots or wished to improve their shooting percentage. Some of the girls in this group were able to enter the Telegraphic Basket Shooting Tournament held each year in the early spring.

Besides learning skills and having fun, the girls were awarded pins and letters for all the time they spent in each activity. Points were given to them for each night they attended the sport to which they belonged. At the end of the year the total amount of points each person earned was tallied. In late spring at the Annual Mother-Daughter Tea the awards were presented: A G.A.A. pin to girls with twenty-four points, first local for seventy-five points, second local for one hundred fifty points, first state award to those with two hundred twenty-five points and the second state award to those with three hundred points.

All-Star Basketball Tournament winners: Marge Nystrom, Caryl Sullivan, Caroline Lillie, Kay Perona, Camille Abrams, Sally Shoop, Sharon Rumchak, and Marian North.

Joan Stauss, with the help of Sharon Cronholm, is effectively demonstrating the chin carry to interested onlookers Joan Boettcher and Carol Sue Johnson in the Porter's tank.

Lifesaving was open to those who could swim twenty-two laps of the pool. The girls had to give up a great deal of time in order to become proficient in their work.

Through the efforts of Miss Weick, swimming instructor, these twenty-five girls learn the techniques of saving lives stemming from swimming activities. This valuable training may be put to practical use when they least expect it.

Standing: Camille Abrams, Douglynn Bissett.

Each L.T.H.S. student looks forward to the time when the LOCKS are distributed, but few consider the tremendous task involved in the preparation of such an annual as the LOCK. The work is done by two staffs, business and editorial, who work together diligently to produce your LOCK. Since the actual cost of production greatly exceeds the amount charged the student body, it is the task of the business staff to raise enough money to cover the deficit. The editorial staff decides what is to go under the cover of the LOCK. The layout, dummy, copy and proofreading are all done by the editorial staff. These staffs have worked countless nights after school until five o'clock, not including all of the work that has been done at home, to present to you the 1957 edition of the LOCK.

The LOCK is a project of time. It takes many months to prepare a book containing within its covers all the activity, success, happiness and sorrow of any school such as Lockport Township High School. Many changes have come to the LOCK this year. First of all Mr. Gordon Sampson became the sponsor bringing with him countless ideas in organization and production.

Another big change in the LOCK in the form of a supplement was distributed to the underclassmen during the summer and mailed to the graduating seniors. This supplement, prepared by the members of the staff during the latter part of the school year and several weeks of vacation, contained all spring activities, such as sports and the Prom, which are not usually given sufficient coverage because of early deadlines.

The two staffs consisted of editors and managers who contributed extensive effort while formulating the 1956-57 school activities into one unit. Other indispensible jobs such as working at LOCK staff dances, selling subscriptions in homeroom, and writing copy were done by the remainder of the staffs.

Our Time

Lockport High School is composed of many organizations, but perhaps the most important to the entire student body is our school newspaper, the TIMES. What is printed in the TIMES tells a story, the true life of L.T.H.S. It would be impossible to print this story without the TIMES members behind the scenes making our paper a success.

Is Your Times

Time is a prime factor in preparation of any paper; many a Sunday afternoon has been devoted by the editors in the preparation of any issue. On the Wednesday afternoon a week before the TIMES is sold to the student body, the co-editors see that the typewritten and now corected copy arrives at the printers where the editors and printer go over it together. On the Sunday afternoon before the paper is to be sold; while the news editors proofread the galleys sent by the printers, the co-editors arrange the copy on a dummy sheet which is sent along with the corrected galleys back to the printers. These sheets are the printer's guide in making up the finished product.

Since the money collected from the students in payment for the issues is not sufficient to cover expenses, the additional money is secured by selling ads to local merchants.

The paper, itself, is not the only effort of the staff; it also prepares weekly columns for the Lockport Herald and the Joliet Spectator. Through this means people in the Lockport-Joliet area are given a picture of school life at L.T.H.S.

Being on the TIMES staff requires each member to share responsibility, have an inquiring mind, and to learn the fundamentals of good journalism. Only through the combined efforts of every TIMES member was the story of Lockport High School in the year 1956-57 accurately represented in the eight issues of the TIMES.

Council Governs

The Student Council, the L.T.H.S. student governing body, is composed of a representative from each home room and the heads of all school organizations.

Under the leadership of Robert Hill and Forrest Hartman, co-presidents, the student council has enjoyed a very successful year. Other officers elected by the council were: Donald Cagwin, treasurer, and Joan Boettcher, secretary. Each year the student council is organized into six committees. These committees are responsible for the completion of all work which may fall under their jurisdiction. Heads of these committees for the 1956-57 school year were: Suzanne Ayers, the Social Committee which was responsible for the "Harvest Hop" and the annual student council dance, "Swing to Spring." Kathy Boland, the Finance Committee which was in charge of the used book sale. This committee spent many hours after the sale returning money to the students whose books had been sold and returning books to the students whose books had not been sold. Barbara Garson, the Program Committee which presented many hilarious skits to the student body at Pep Assemblies. Much time was consumed getting the material and setting up these skits. Douglas Meadows, the Leadership and Training committee which constructed the homecoming float. Their big job of the year, the Christmas card box and the delivery of all cards to homerooms was handled efficiently. Time was the major element in this project as all boxes had to be sorted each night and the cards delivered to the homerooms the next day. Carole Sue Johnson, the Welfare Committee which designed, made, and placed all the Christmas decorations. A time consuming job, the Christmas trees, and mobiles added just the right touch of yuletide spirit to the L.T.H.S. hallways.

The committee which guided the Student Council in all its activities was the Steering Committee which was composed of all student council officers and the heads of the six committees. It was through the efforts of this committee that the Polio Drive was carried out so successfully. This was probably the biggest project undertaken by the Student Council this year. This year's council was also able to outfit the new student council office located in the Smith Foyer. It can be rightly said that the 1956-57 Student Council used its time wisely.

LIBRARY AIDE CLUB OFFICERS AND SPONSOR

Donna Underhill, Secretary; Miss Fagan, Sponsor; Carole Sue Johnson, President; Phyllas Lillie, Vice-President; Peggy Wells, Treasurer.

Ann McDavid, Judith Crook, Jacqueline Grogan, Sharon Herman.

Each year some of our willing, eager-to-help students volunteer their services to Miss Shepherd. It is the duty of the office assistants to collect the absence reports from the classes. Then the home of each absentee is telephoned by one of the assistants. This year's tasks were ably performed by four girls. They again showed how another valuable service to the students and faculty of the school can be accomplished efficiently.

One of the most interesting and certainly most practical organizations at L.T.H.S. is the Library Aide Club. Students with "B" averages are preferred for membership in the group. Being a library aide requires that the student relinquish a study hall in order that he may spend that period in the library. Library aides assist the librarian, Miss Fagan, in many duties such as: checking books in and out at the charging desk, listing honor passes and checking library passes, filing books, straightening and checking shelves, mending books, and generally doing any work that is necessary to the upkeep of library materials.

The Library Aide Club with a membership of 20 was organized again second semester. President of the club was Carole Sue Johnson; vice-president, Phyllas Lillie; secretary, Donna Underhill; treasurer, Peggy Wells. This year the Illinois Student Librarian Association was organized. It is the first time that student librarians in Illinois have had an organization of their own. Their first all-day conference was held February 23, at Blue Island High School.

There's a Time to Yell

Joan Carroll, Varsity Squad Captain; Sandra Rediehs, Frosh-Soph Captain.

L.T.H.S. has always been represented by competent, attractive cheerleaders. The squad of 1956-57 was no exception to that standard. Led by Captain Joan Carroll, under the faculty sponsorship of Mrs. Rose, the girls found that time played a very important role in their job.

The girls who were elected by the student body to serve as cheerleaders were: Seniors; Joan Carroll and Charlotte Grant: Juniors, Patience Drake and Jane Murray; Sophomores, Jeanne Malinoski and Sandra Rediehs; Freshmen, Juanita Boehme and Carolyn Yates.

In order to remain on the squad the girls had to follow certain regulations and maintain certain standards. Each girl was expected to maintain a respectable grade average, attend practices regularly, be neat in appearance, and at all times be above reproach in her actions when she was representing Lockport High School. The squad spent many hours practicing old cheers, getting rhythms down pat, and composing many vigorous new cheers.

The Student Council assisted this swell bunch of gals in as many ways as possible. Last summer they sent two members of the squad to Cheerleading Camp who brought back with them loads of snappy ideas. All these girls have given of their time to inspire the student body to new heights of L.T.H.S. loyalty and spirit. These were moments well spent on a job well done.

PEP CLUB OFFICERS

Front Row: Marge Rodeghiero, Vice-President; Pat Ward, President; Kay Murray, Secretary-Treasurer; Mrs. Rose, Sponsor.

The newly organized Pep Club, in its second year, can boast of being the largest organization in L.T.H.S. All past records have been broken bv the rapidity in which students are joining the club. In the two years of its existence, the Pep Club membership has grown to the enormous size of 290.

This year the club, along with Mrs. Rose, our able sponsor, placed a greater emphasis on new activities other than just cheering at games.

Our float received honorable mention in the homecoming parade; our "original" posters and banners did much to generate enthusiasm throughout the student body; for the first time maroon and white pom poms were sold; our bakery sale netted fifty-seven dollars which was contributed to the March of Dimes Fund. One of the high points of the basketball season was the pep skit which our club gave. We like to think it had a little to do with Lockport's defeat of the vaunted Bloom, that very same night.

Pep Club letters were awarded to the deserving Junior and Senior members who took part in several activities and attended the games.

All in all it has been a very successful season for the 1957 Pep Club; and as we gaze into the crystal ball toward the future, we see a bigger and better Pep Club; one that will be a greater credit to L.T.H.S.

We, the audience, will see the junior actors and actresses up on the stage tonight for approximately 90 minutes, but it has taken the cast and committees, under the direction of Mr. William Tipler and Student Director Darlene De Pra, many hours to present the play for you tonight, the evenings of November 15 or 16.

Sitting in quiet anticipation you wonder what is going on backstage now, fifteen minutes before the three act comedy by William Davidson is to begin.

Behind-the-curtain excitement is at its climax. Although there have been many rehearsals, none is quite as hectic as the opening.

Who backstage that night will ever forget the excitement and tension which everyone experienced? But, subconsciously, everyone calms himself, makes a vital effort to remember his first line—the curtain opens—the play begins.

All the action occurs in the Cutler living room where Jane, a teenage daughter of about sixteen lives. The plot deals with the forthcoming of the all-too-soon Junior-Senior Prom.

Much to their despair, neither Jane nor her next door neighbor, Sally, have had one boy invite them to the long-awaited event. But the girls do not give up the struggle, for they are typical teenagers; many ingenious ideas are brought forth as to how they can get their masculine friends, George and Jim, to wake up and "see the light!" Elroy, a third boy who enters the picture, is considered somewhat of a square and is interested only in the shot put, which he carries around with him night and day. Then, Marcia, a sophisticated doll from the city arrives and in her own flirty way captures all of the attentions of all males within a radius of ten miles!

More trouble enters the picture as Cindy, Jane's cousin from the country, arrives in the nick of time. Cindy believes that she can solve any and every problem just by relating it to the latest movie. She does solve one problem only by putting another in its place.

Despite parents, garden shows, gladiolas, mumps and measles, and Cindy, everyone snares a man and the proverbial "happy ending" brings the play to an end.

Judging by the attendance on both nights and also the applause received by the amateur juniors, "Strictly Formal" was one of the best plays ever produced at L.T.H.S.

"January Thaw"

January Thaw, a three-act comedy, was presented in the L.T.H.S. auditorium on the evenings of March 14th and 15th by the Senior Class.

The story centered around the Gage family who lived in a very old house in Connecticut. After installing many modern conveniences in the house, the normal routine of the Gages was upset by the return of the former owners, the Rockwoods. The Rockwoods had sold their house to the power company with the provision that they could return at any time. After the house had been sold to the Gages, the Rockwoods still insisted on coming to live there.

The plot is further confused by the fact that old Jonathan Rockwood is thoroughly disgusted with the new additions to the house, especially the electricity and the modern "privy." A conflict follows between the old and the new.

There is more excitement when, due to an emergency, young Matt Rockwood and Barbara Gage are forced to supposedly elope and both families are left in an uproar. Barbara and Matt returned to reveal that their mission was only an obstetrical case.

In the meantime Barbara's fiance had returned and finding Barbara gone, leaves, not knowing the real situation. However, the play ends happily as George and Barbara were reunited in a surprise ending with a reversal in the positions of both families.

A special added attraction to Friday night's performance were twin baby goats who were later named January and Thaw by the owner. The cast spent a great deal of time in preparation for the play, but the prop committee was also very busy locating an unusually strange array of props. Among the things found in their hunt were: a butter churn with flowers planted in it, a coffee grinder made into a lamp, a horse collar (no horse), Hessian andirons, pewter and other antiques, including glassware, and a silent butler.

The polished performers were delightful in their interpretations. The portrayals left the audience with a feeling that the time spent in watching the Senior play of 1957 was used wisely.

Snow Flake Fantasy

On December 15th, the doors of our gymnasium were opened and the winter atmosphere entered in full array. The music of Archie McAllister and his orchestra brought with it a note of beauty that justified its environment which consisted of silvery sparkle, radiated from the white glistening snow scenes. On the south wall a huge sleigh decorated with midnight blue paper and angel hair encompassed the orchestra. In the middle of the dance floor stood a beautiful white flocked Christmas tree trimmed in silver and blue. The ceiling portrayed the heavenly sky filled with descending snow flakes.

At eleven o'clock the time drew near for the crowning of the king and queen. On behalf of the entire music department Tom Nelson, president of the band and Joan Boettcher, president of the chorus were first privileged to present gifts of appreciation to Mr. Caneva, Mr. Tatroe, and Mr. Rutter for the many hours of tireless effort spent with the members of the music department. Then Joan drew from a miniature sleigh the name of the King of the 1956 Annual Music Department Dance, and Tom drew the name of the Queen. A few moments later Bob Hill and Marge Rodeghiero were leading the grand march.

At the stroke of midnight the dance ended leaving everyone in a holiday mood.

"While visions of sugar plums danced in their heads."

Swing to Spring

Every year the students of L.T.H.S. look forward to the annual semi-formal spring dance sponsored by the Student Council. This year's dance was a great success due to the careful planning and hard work of Sue Ayers chairman of the Social Committee of the Student Council who was in charge of all such dances.

On the evening of March 2, the music of Sonny Lawrence's orchestra filled the gaily decorated gym, and many attractively dressed couples walked through colorful streamers and entered the gymnasium which depicted a spring scene on one side and a winter scene on the other side. This theme of spring and winter was carried throughout all the decorations with blue representing winter and pink and green representing spring. In the winter scenes clouds in the shape of old man winter blew snowflakes. In the spring scenes kites, lambs, bluebirds and flowers festively decorated the walls. Twisted white streamers one foot apart, extending from wall to wall, comprised the false ceiling. The most original and outstanding decoration was the authentic swing that was hung at one end of the gym which was also the setting for the pictures of the individual couples.

Everyone awaited the crowning of the king and queen, and finally at eleven o'clock Sue Ayers announced the happy news. Carole Sue Johnson was crowned Queen and John Boyer was crowned King of the 1957 Student Council Dance.

1956 Prom

At nine o'clock on the evening of May 5th, L.T.H.S. juniors and seniors accompanied by their dates found themselves enveloped in a veritable "dreamland." As they came up the stairs they found themselves greeted by life-sized pages blowing trumpets and announcing their entrance into dreamland. Upon entering the gymnasium proper, they were surrounded by delicately tinted pink and blue clouds.

The sparkle in their eyes was reflected from a myriad of stars which hung overhead. Gazing at the walls they saw the harvest moon beaming out at them and also the bridge which spanned the river to "dreamland."

The highlight of the evening came when the "dreamers" beheld their dream castle which was a magnificent edifice of pseudo-masonry. The pink and blue wishing pool was found at the other side of the gymnasium into which the couples cast their coins and wished for their dreams to come true.

Programs Add Variety

Among other traditions at Christmas time is the annual Christmas Program. In the midst of all the hectic preparations, we took time out to meet in the auditorium where, through the combined efforts of over one hundred students under the direction of Mr. William Tipler and Mr. Ernest Caneva, the 1956 program was presented.

Moderator Geraldine Wolfe introduced the Freshman-Sophomore Girls Glee Club which sang several Christmas selections. The story taken from Matthew, Luke and John, was read by three Senior speech students, Joanne Pluth, Rosemarie Mathers and Geraldine Wolfe.

The highlight of the program was a short one-act play by Elizabeth McFadden, "Why the Chimes Rang." The story centered around the ancient chimes of a nineteenth century city. It was said that these chimes would ring on Christmas if a worthy enough gift were offered. Jewels, money, treasures, and even a King's crown, which was thought to be the perfect gift, were offered; but the chimes did not ring. It was only when a young child offered all that he possessed, a few pennies, that the chimes pealed forth.

The background music was supplied by the Madrigals. Organ music was played throughout the entire program by Judy Long. Immediately following the play the Madrigals entertained with Fred Waring's "The Night Before Christmas," and other traditional Christmas Carols, bringing the program to a close with "We Wish You a Merry Christmas."

A salute to the armed forces by the high school band headed the Veteran's Day Program November twelfth. Immediately following the tribute, the U. S. Naval Reserve Unit from Joliet made the presentation of the colors.

Mr. Earl Snyder came to the platform to make his welcoming speech after which the school band and chorus combined to present "America, the Beautiful" by Ward. Dr. Blatnik came to the microphone to introduce Commander R. W. Ricker, the guest speaker for the program.

Starting the musical portion of the program was Mr. Tipler, head of the dramatics department who read the poem "In Flanders Field" by John McCrea and "High Flight" accompanied by a musical background of the chorus singing "Roses of Picardy" by Wood and "Beyond the Blue Horizon" by Whiting and Harding. Taps were played and the choir sang "My Buddy" by Donaldson bringing the musical portion of the program to an end. Mr. Tipler, with the choir in the background singing "The Battle Hymn of the Republic" by Staffe, read "The Unknown Soldier Speaks."

Two other programs were presented to the student body by outside organizations. The first was given by the Illinois Bell Telephone Company. The diversified electronic equipment proved interesting to everyone, especially the Master Mind tic-tak-toe game. The other program was given during Fire Prevention Week and stressed home and farm fire hazards.

Spirit Shown

"Love Me Tender" and "You Ain't Nothin' but a Hound Dog" were familiar exclamations heard in the L.T.H.S. gymnasium this year, as Elvis Presley was the immensely popular personality portrayed at several of the 1956-57 pep assemblies. Those imitating Elvis at one particular pep assembly really went all out to appear and act exactly like the "rock-and-roll" entertainer; guitars, vocal chords and, of course, side burns were all included in the act.

The pep assemblies this year contained a great deal of variety. Mike Rogan, singing and tap dancing to several popular tunes, was enthusiastically received. The many hilarious skits presented by the Pep Club and Student Council left the students in a happy frame of mind. In direct contrast to those assemblies was the one held to honor the wrestling team. It also proved very interesting to the student body, as two members of the wrestling squad went through the fundamentals of an actual match.

in Assemblies

Our Student Council co-presidents did an excellent job as Masters of Ceremonies for the assemblies. They read announcements and tried to put everyone in an easy going, relaxed frame of mind during the assembly. The Pep Band also helped greatly by setting the mood for these gatherings. Some of their rock-and-roll numbers really left the student body with dancing feet. No assembly could have been complete without the cheerleaders and their cheers. A big thanks goes to the cheerleaders who not only did a magnificent job in leading old cheers, but also came up with some brand new ones.

Pep assemblies not only brought variety, fun, and spirit into the school day, but were the times that strengthened the bonds of school loyalty among the members of L.T.H.S.

KING AND QUEEN OF THE 1956 L. T. H. S. HOMECOMING

Their majesties Buist Walker and Carole Cooper pause during their reign over the homecoming dance to have their royal portraits taken.

Seniors Present Homecoming

The 1956 L.T.H.S. Homecoming was a great success. Each year the parade and dance has been improving, this year being no exception.

The Seniors who took charge this year, as it was their last, did a tremendous job, under the able leadership of Mr. Rutter and the student co-chairmen, Carole Cooper and Barbara Garson. Margaret Munari, Judith Rodeghiero and Beverly Rider as the chairman of downtown decorations, flowers and dance decorations respectively, also did their part.

The election of the king and queen, plus one attendant from each class, was held the same way as in other years with the exception of the queen. This year the queen was chosen by the football team, as she really is their queen. Buist Walker and Carole Cooper reigned as the royal couple. Joan Boettcher, senior, Molly Thomas, Junior, Bonnie Cagwin, sophomore, and Sally Farnsworth, freshman, were the attractive girls attending Carole.

The Homecoming Dance was appropriately decorated for this gala affair, with huge animated footballs decorating the walls, representing the football players, while a false ceiling hung overhead. During the dance the king and queen were crowned, followed by a grand march. Jim Stephenson's orchestra provided the music. This was a fitting climax to the activities of the day.

"I think I can; I think I can! I thought I could, I thought I could."

"Don't get seasick, girls."

The 1956 parade was a tremendous success. Approximately forty different organizations were represented either in one way or another. The competition of the floats was especially keen between the classes, but a group of senior homerooms came through to a fighting finish and won with a giant aqua whale depicting "A Whale of a Victory." The G.A.A. and Sophomore class floats won the runner-up positions.

The main attraction of the day, of course, was the football game. The team added to the great excitement of the day by winning a thrilling duel with Argo, 12-6.

Our smiling cheerleaders lead us to victory.

The G.A.A. girls put a lot of work into the 12 foot stork who was bringing a baby victory to L.T.H.S., which received honorable mention.

"A WHALE OF A VICTORY"

The Senior class won first place with the help of flashing red eyes, swaying tail, and a recording of "I Got a Whale of a Tale."

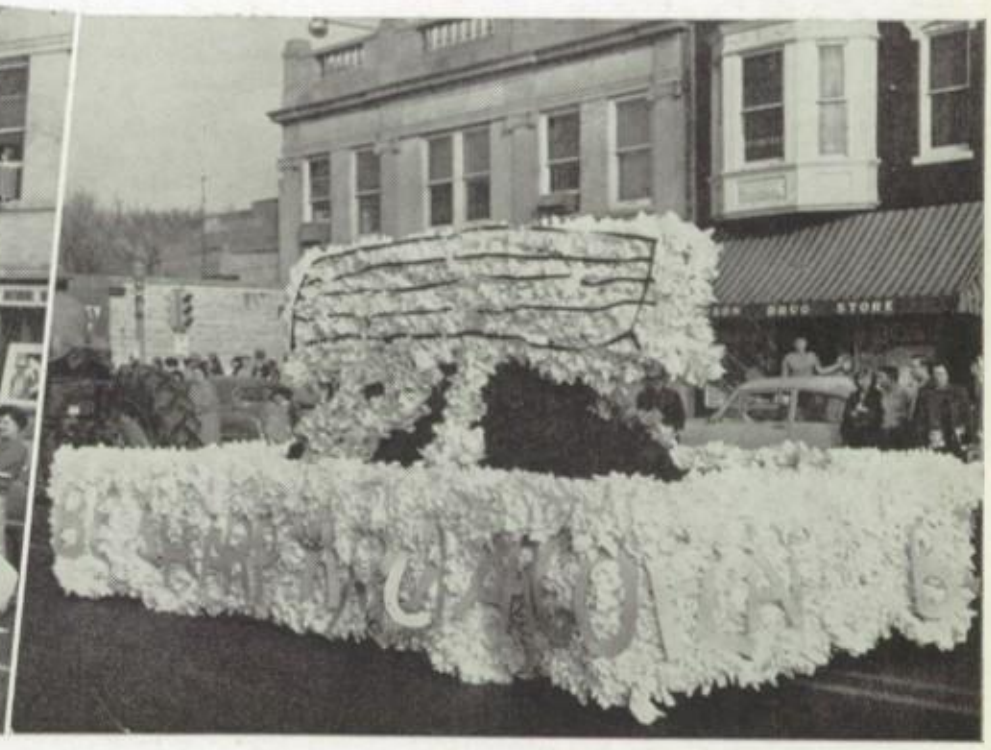
The Band worked diligently on the immense "Piggy Bank," which won an honorable mention.

"'WE'RE BANKING ON A VICTORY"

"ARGO ON THE ROCKS"

A huge pink and white cocktail glass was made by the Sophomore class to win a runner-up position.

"BE SHARP, KNOCK ARGO FLAT"



A large music staff with sharps and flats won a runner-up position for the Chorus.

Porters Share Third Place in South Suburban

Lockport scored a total of 94 points all season, compared to the 144 points scored by all opponents. Junior Albert Green, and Senior Jerry Banister, were responsible for gaining the most yards, while Green was the leading scorer. Sophomore Ed Clark, who moved up to varsity in time for the Bloom game, was the leader in conversions.

The 1956-57 Varsity Lettermen: Seniors—Larry LeGrand, Ken Ramos, Dave Martis, Tom Phelps, Roland Whalen, Ray Wittkofski, John Ferguson, Ray Farny, Bob Hill, Wayne Barnett, Charles Jones, Jerry Bannister, Paul Torkelson, Dick Adamson, Bob Salbego and Buist Walker.

Juniors — Sherman Reiter, Sam Mitchell, Greg Machak, Ray Shepherd, Bill Ording, L. G. Young, Bob Burger, Albert Green, Greg Brown and Roger Malak. Ed Clark was the only sophomore varsity letterman this year.

Although they failed in their first five attempts on the field this season, the Porters gained enough momentum to finish with a 4-won-5-lost record.

Coached for the second year by Ed Cisler and Bill Kappmeyer, Lockport dropped the first five games to Joliet Catholic High, St. Charles, Blue Island, Leyden and Thornton, but came back to win three from Fractional, Argo and Kankakee. One loss, the Leyden game, was converted to a "win" because of forfeit on a technicality.

The conference record, however, placed Lockport in the running for a place in the South Suburban League. With the conference record of 4-3, Lockport finished in a tie for third place with Blue Island.

Portermites Post Impressive Record

The Lockport Sophomore squad, captained by Jim Anderson and Andy Kotowicz, boasts a 6-2-1 record for the 1956-57 grid season. The Portermites lost their two games to Leyden and Kankakee, seemingly not able to click against such competition.

Jerry Pius and Leroy Corbley, leading yard gainers, were backed up all season by Andy Kotowicz, one of the leading scorers with Corbley. Coaches Frank Rogers and Charles Walters consider Corbley one of the most valuable players.

Lockport's 104 points all season towered, if only slightly, over a total of 97 points racked up by all their opponents.

Frosh Play Role of Underdog

The Freshman football squad is organized each year primarily to get potential varsity lettermen started in the right direction. Although they naturally play to win, the young enthusiasts are acquiring the proper basic training from the beginning.

Coaches Charles Beseman and Robert Hess, consider this, their first high school season, a great opportunity to give potential varsity stars a good start.

In the season Lockport Freshmen lost all five games on their schedule: Argo, Blue Island, Thornton, Fractional and Joliet Catholic High.

Leading yard gainer and scorer for the season was Chris Vancura, while the eight boys considered most active on the team were Ed Edson, Vic Sullins, Art Anderson, Chris Vancura, Leonard Cox, Jim Mance, Jim Long and Dick Weems.

All freshmen who completed the season in good standing received "60" numerals for their participation.

"Go team go," yells the crowd as Lee Corbley runs for a touchdown.

Matmen Gain Honors

After completing a season which was a "building year" in the eyes of Coach Charles Walters, the L.T.H.S. Matmen can boast a large turnout at all matches, proving that wrestling has finally "caught on" with the L.T.H.S. student body.

Of the ten varsity letter winners, four of the boys showed outstanding ability; the boys, with their "won-tied-lost" records are: Juniors Sherman Reiter (15-2-0) and Greg Brown (14-0-3); Sophomores Kelley Grader (9-0-2) and Gary Householder (7-0-4).

Individual team members represented L.T.H.S. well this year: Sherman Reiter won first place in the Conference and third in the Sectional; Gary Householder placed third in the Conference and third in the Sectional. Greg Brown came through with a fourth in the Conference, fourth in the Sectional, and first in the Amateur Athletic Union Wrestling Contest in Chicago.

Under co-captains Greg Brown and Charles Jones (who wrestled only one match because of his previous injury), the matmen came up with a fighting 7 won-10 lost record. The team had a really tough schedule this year, having been matched against such strong teams as Reavis, Oak Lawn, Joliet, Bloom, Thorton, Evanston, Morton, and Bremen.

Since there were no seniors on the team this year, next year's matmen will have one of the most experienced teams in the league, and may well be champions — all due to this 1956-57 "building year."

Tankmen Race the Clock

The 1956-57 swimming team and Coach Charles Beseman held their first practice on November 19. Among the boys who signed up there were twenty-five who made the team before the season was over. There were many loyal freshmen and sophomores who didn't make the team right away but came faithfully to practice every day after school. Some of them improved so greatly that they were moved up to the Frosh-Soph team.

The varsity team, having a record of two wins and four losses, was sparked by five seniors: John Sample, who took a first place in the 100 yard free style; Bob Pearson, who took second place in the 200 yard free style; Tom Benham, who took the third place in the 100 yard breast stroke. Buist Walker and Gerald Gorecki, the 200 yard free style relay team took third place, which helped to put the varsity team in the fourth place in the South Suburban Conference Meet.

The Frosh-Soph team took second place in the South Suburban Conference. Andy Djerf, who placed third in the 50 yard and the 100 yard free style races, Jim Briehan, who placed in the individual medley and the breast stroke, and Bob Matlock, who placed third in the breast stroke, led the team through a three win and two loss record this year.

Many of the school's records were smashed to bits by both teams and in looking ahead we are sure that next year's team will go leaps and bounds ahead of this year's team.

Cagers Finish Strong after Faltering

Have you ever stopped to realize the vast amount of time consumed in one day by the coaches, team members, and the managers of a basketball team? The varsity team alone spent twenty-eight hours just in after-school practice sessions, to say nothing of planning, boardwork, or game time.

Several firsts were accomplished this year: 1. Lockport triumphed over Thornton of Harvey for the first time on the Wildcat's home court. 2. The Porters beat Joliet Township three times in one season.

As the season opened, it certainly looked as though the Porter Cagers would be the outstanding power of Northern Illinois prep teams. Having lost no teammates, the eleven varsity lettermen moved right into place with senior, Ken Barone, as captain.

Coach Herbert Van Deven's "control" style of basketball seemed to have stunned all oncomers enough to bring a six game winning streak to Lockport. Our boys came home with a third place consolation bracket trophy from the Pontiac Holiday Tournament. This is the fourth consecutive year that our Porters have returned from the Christmas vacation with such a prize.

Upon resuming the regular scheduled play, the Porters won one game and went into a weekend slump losing its first two South Suburban League games of the year. Our team came out of this small slump, winning its next three games, only to go into another sudden and unexpected downward trend. They lost three more games two of which were captured by South Suburban League power houses, Bloom and Harvey, respectively. The other loss came at the hands of Thornton Fractional. The boys soon found themselves and won four of the remaining five games. The end of the season was also sparked by Captain Barone's tremendous scoring surge.

The Lockport Porters went into the regional tournament with a 16-8 won and lost record. By beating Rich Township and winning the third victory of the season against Joliet Township in a tense, exciting game our basket men qualified for the finals. Even though we were edged out by Bloom 46-42, our team and coach certainly had a most successful season.

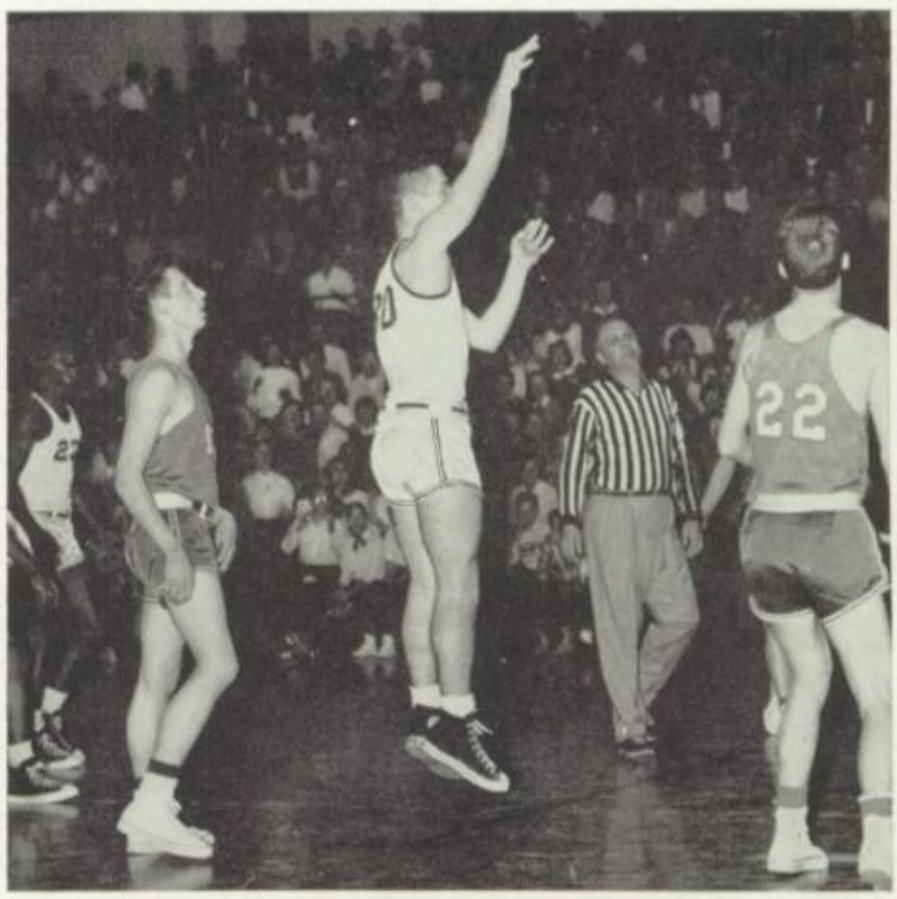
Portermites Soak Up Experience

The Lockport Portermites, coached by Mr. Gornik, posted one of their best records (9-14) in recent years as they defeated such vaunted South Suburban League powers as Bloom and Blue Island in their recent campaign. The highlight of their season came when they captured second place in the Carl Sandburg Frosh-Soph Basketball Tournament at the end of the regular season play.

Their record for the season, although not too enviable, showed vast improvement over the record of the previous season which could well be attributed to the fact that the sweeping youth movement at L.T.H.S. is beginning to pay off in the form of more victories. The players, most of them having gained valuable experience during their freshman year, showed fine spirit and determination throughout the season as they never stopped trying and always gave a fine account of themselves on and off the playing floor.

As far as statistics are concerned the season was not too outstanding but the sportsmanship and teamwork gained by the underclassmen in the past season will prove invaluable to them in future years.



And the score goes up another notch as Jerry Pius dunks another basket.

Coaches Form "L" Club

1956-57 Lettermen's Club Officers: Mr. William Kappmeyer, Sponsor; (seated) Richard Adamson, Secretary; Buist Walker, Vice-President; Kenneth Barone, President; Harold Ayers, Treasurer.

The latest addition to the athletic department at L.T.H.S. is a lettermen's club ("L" Club), formed exclusively for varsity letter winners and supervised by the coaching staff. Organized the second semester, the club elected the following for its first corps of officers: Kenneth Barone, president; Buist Walker, vice-president; Richard Adamson, secretary; and Harold Ayers, treasurer.

The group adopted a standard Lettermen's Club constitution which listed these as the club's objectives:

1. To promote and encourage active participation of all boys in L.T.H.S. athletics.
2. To render services, when not actively engaged in the immediate contest, such as ushering, concessions, etc.
3. To aid in the promotion of school spirit.
4. To aid in the enforcement of training rules.
5. To promote pleasant social and personal relationships among members.
6. To be the outstanding club in the school —with qualities of leadership, respectability, courtesy, and sportsmanship.
7. To promote better interscholastic relations.

In order to become a member of the club each boy had to be: (1) a varsity letter winner, (2) be passing in all subjects, (3) have his application of admission approved by the membership committee before recommendations are presented to the club, and (4) must have received the ballot vote of one hundred per cent of all members.

The boys sponsored such fund raising projects as: ushering at basketball games, sponsoring the intramural class tournament, and a dance after the tournament.
